

CATALOGUE OF THE EULOPHIDAE IN THE NEOTROPICAL REGION

Christer Hansson 2009 (updated May 2011)

ENTEDONINAE Förster**ACANTHALA Hansson*****albiclava* Hansson**

Acanthala albiclava Hansson, 2000. Journal of Hymenoptera Research 9:316-317. **Distribution:** Brazil.

***plaumanni* Hansson**

Acanthala plaumanni Hansson, 2000. Journal of Hymenoptera Research 9:317-318. **Distribution:** Brazil.

***pubipennis* Hansson**

Acanthala pubipennis Hansson, 2000. Journal of Hymenoptera Research 9:318-319. **Distribution:** Belize, Costa Rica.

ALEUROCTONUS LaSalle & Schauff***laticapus* Hansson & LaSalle**

Aleuroctonus laticapus Hansson & LaSalle, 2003. Journal of Natural History 37:748-750. **Distribution:** Brazil. **Hosts:** from an unidentified Aleyrodidae (Hemiptera).

***marki* Hansson & LaSalle**

Aleuroctonus marki Hansson & LaSalle, 2003. Journal of Natural History 37:750-751. **Distribution:** Costa Rica, the West Indies (Cayman Islands). **Hosts:** *Aleurodicus dispersus* (Hemiptera: Aleyrodidae).

***metallicus* Hansson & LaSalle**

Aleuroctonus metallicus Hansson & LaSalle, 2003. Journal of Natural History 37:751-752. **Distribution:** Brazil.

***vittatus* (Dozier)**

Euderomphale vittata Dozier, 1933. Proceedings of the Entomological Society of Washington, 35:86-87. **Distribution:** Colombia (Hansson & LaSalle, 2003), Costa Rica (Hansson & LaSalle, 2003), Puerto Rico (Dozier 1933). **Hosts:** from an unidentified Aleyrodidae (Hemiptera) on coconut (*Cocos nucifera* - Palmae) (Hansson & LaSalle 2003).

AMETALLON Ashmead***acidotum* Hansson**

Ametallon acidotum Hansson, 2004. Memoirs of the American Entomological Institute 75:16-17. **Distribution:** Costa Rica.

***alticypeus* Hansson**

Ametallon alticypeus Hansson, 2004. Memoirs of the American Entomological Institute 75:17-18. **Distribution:** Costa Rica.

***amara* Hansson**

Ametallon amara Hansson, 2004. Memoirs of the American Entomological Institute 75:18. **Distribution:** Costa Rica. **Hosts:** from seeds of *Psychotria microbotrys* (Rubiaceae).

***aquilum* Hansson**

Ametallon aquilum Hansson, 2004. Memoirs of the American Entomological Institute 75:19. **Distribution:** Costa Rica.

***barbillae* Hansson**

Ametallon barbillae Hansson, 2004. Memoirs of the American Entomological Institute 75:19-20. **Distribution:** Costa Rica.

***caperatum* Hansson**

Ametallon caperatum Hansson, 2004. Memoirs of the American Entomological Institute 75:20-21. **Distribution:** Costa Rica.

***carinatum* Paniagua & Hansson**

Ametallon carinatum Paniagua & Hansson, 2009. ZooTaxa 2237:43-58. **Distribution:** Panama. **Hosts:** from lignified galls of an unidentified Cecidomyiidae (Diptera) in the petiole and twigs of *Inga* sp. (Fabaceae).

***chapadae* Ashmead**

Ametallon chapadae Ashmead, 1904. Memoirs of the Carnegie Museum, 1:511. **Distribution:** Brazil.

***cuspidatum* Hansson**

Ametallon cuspidatum Hansson, 2004. Memoirs of the American Entomological Institute 75:21-22. **Distribution:** Costa Rica.

Hosts: from leaf galls on *Coussapoa villosa* (Cecropiaceae), leaf gall induced by a gall midge (Diptera: Cecidomyiidae); and as an external parasitoid from larvae of *Pleuroptya silicalis* (Guenée) (Lepidoptera: Pyralidae) on *Cecropia insignis* (Cecropiaceae).

***deanthurium* Hansson**

Ametallon deanthurium Hansson, 2004. Memoirs of the American Entomological Institute 75:22. **Distribution:** Costa Rica. **Hosts:** from root gall on *Anthurium cuspidatum* (Araceae) on a fallen limb.

***deliquum* Hansson**

Ametallon deliquum Hansson, 2004. Memoirs of the American Entomological Institute 75:23. **Distribution:** Guatemala, Mexico.

***dominicanense* Hansson**

Ametallon dominicanense Hansson, 2004. Memoirs of the American Entomological Institute 75:23-24.
Distribution: Dominican Republic.

***floridense* Hansson**

Ametallon floridense Hansson, 2004. Memoirs of the American Entomological Institute 75:24-25.
Distribution: Costa Rica, U.S.A. (Florida).

***gorgonaense* Hansson**

Ametallon gorgonaense Hansson, 2004. Memoirs of the American Entomological Institute 75:25.
Distribution: Colombia, Panama (Paniagua & Hansson 2009). **Hosts:** from unidentified galls of Cecidomyiidae (Diptera) on *Inga* sp. (Fabaceae) and *Serjania mexicana* (Sapindaceae) (Paniagua & Hansson 2009).

***hortense* Hansson**

Ametallon hortense Hansson, 2004. Memoirs of the American Entomological Institute 75:26.
Distribution: Costa Rica.

***laselvae* Hansson**

Ametallon laselvae Hansson, 2004. Memoirs of the American Entomological Institute 75:26-27.
Distribution: Costa Rica.

***oratum* Hansson**

Ametallon oratum Hansson, 2004. Memoirs of the American Entomological Institute 75:27-28.
Distribution: Costa Rica, Mexico.

***paloverdense* Hansson**

Ametallon paloverdense Hansson, 2004. Memoirs of the American Entomological Institute 75:28.
Distribution: Costa Rica.

***pedunculatum* Hansson**

Ametallon pedunculatum Hansson, 2004. Memoirs of the American Entomological Institute 75:28-29.
Distribution: Costa Rica.

***rinconense* Hansson**

Ametallon rinconense Hansson, 2004. Memoirs of the American Entomological Institute 75:29-30.
Distribution: Costa Rica.

***sanidodes* Hansson**

Ametallon sanidodes Hansson, 2004. Memoirs of the American Entomological Institute 75:30.
Distribution: Costa Rica.

***sculpturatum* Hansson**

Ametallon sculpturatum Hansson, 2004. Memoirs of the American Entomological Institute 75:31.
Distribution: Costa Rica, Mexico. **Hosts:** from a gall-midge (Diptera: Cecidomyiidae) leaf gall on *Smilax* sp. (Smilacaceae).

***simiscapus* Hansson**

Ametallon simiscapus Hansson, 2004. Memoirs of the American Entomological Institute 75:32.
Distribution: Costa Rica. **Hosts:** from leaf galls (like elongate seeds) on an unidentified species of Myrtaceae.

***tenebrosus* Hansson**

Ametallon tenebrosus Hansson, 2004. Memoirs of the American Entomological Institute 75:32-33.
Distribution: Costa Rica.

***viejoense* Hansson**

Ametallon viejoense Hansson, 2004. Memoirs of the American Entomological Institute 75:33-34.
Distribution: Costa Rica.

APLEUROTROPIS Girault

***albicaulis* Hansson**

Apleurotropis albicaulis Hansson, 2010. ZooTaxa 2563:38. **Distribution:** Costa Rica.

***albiscapus* Hansson**

Apleurotropis albiscapus Hansson, 2010. ZooTaxa 2563:40. **Distribution:** Costa Rica. **Hosts:** unidentified Elachistidae (Lepidoptera) mining leaves of *Bambusa* (= *Guadua*) *angustifolia* (Poaceae).

***anemia* Hansson**

Apleurotropis anemia Hansson, 2010. ZooTaxa 2563:42. **Distribution:** Brazil, Costa Rica, Ecuador, Honduras, Peru. **Hosts:** Primary parasitoid on *Bucculatrix* sp. (Lepidoptera: Bucculatricidae) on *Forsteronia spicata* (Apocyanaceae); *Elachista* sp. (Lepidoptera: Elachistidae) on *Olyra latifolia* (Poaceae); *Marmara* sp. (Lepidoptera: Gracillariidae) on *Heliconia* sp. (Heliconiaceae); *Phyllocnistis* sp. (Lepidoptera: Gracillariidae) on *Trichilia havanensis* (Meliaceae); lepidopterous leafminer on *Trichilia havanensis* and *Peperomia peltata* (Piperaceae), and Melastomataceae; Agromyzidae indet. (Diptera) on *Tradescantia* sp. (Commelinaceae).

***assis* Hansson**

Apleurotropis assis Hansson, 2010. ZooTaxa 2563:45. **Distribution:** Costa Rica, Dominican Republic, Mexico. **Hosts:** Parasitoid on *Tischeria* spp. (Lepidoptera: Tischeriidae) on *Coussapoa villosa* (Moraceae) and *Gouania polygama* (Rhamnaceae), and from unidentified lepidopteran leafminers on unidentified Asteraceae.

***ficaria* Hansson**

Apleurotropis ficaria Hansson, 2010. ZooTaxa 2563:47. **Distribution:** Costa Rica. **Hosts:** reared

from a leaf pustule gall on *Ficus hartwegii* (Moraceae).

***strix* Hansson**

Apleurotropis strix Hansson, 2010. ZooTaxa 2563:48. **Distribution:** Brazil, Colombia, Costa Rica. **Hosts:** Parasitoid on unidentified lepidopteran leafminers on *Saurauia* sp. (Actinidiaceae).

ASECODES Förster

***albipes* (Ashmead)**

Closterocerus albipes Ashmead, 1894. Journal of the Linnean Society (Zoology) 25:177. **Distribution:** Saint Vincent (Ashmead 1894).

***auriceps* (Ashmead)**

Closterocerus auriceps Ashmead, 1894. Journal of the Linnean Society (Zoology) 25:177. **Distribution:** Saint Vincent (Ashmead 1894).

ASTICHOMYIYA Girault

***cecidicola* Hansson**

Astichomyiia cecidicola Hansson, 2002. Memoirs of the American Entomological Institute 67:17-18. **Distribution:** Costa Rica. **Hosts:** from "pustule gall" on *Inga vera* (Mimosaceae) and galls caused by an unidentified gall-midge (Diptera: Cecidomyiidae) on *Coussapoa villosa* (Moraceae).

***crassiseta* Hansson**

Astichomyiia crassiseta Hansson, 2002. Memoirs of the American Entomological Institute 67:18-19. **Distribution:** Costa Rica, Mexico.

***hansoni* Hansson**

Astichomyiia hansoni Hansson, 2002. Memoirs of the American Entomological Institute 67:19-20. **Distribution:** Costa Rica. **Hosts:** from "bullet" galls caused by unidentified gall-midges (Diptera: Cecidomyiidae) on *Inga vera* and *I. oerstediana* (Mimosaceae).

***laticapus* Girault**

Astichomyiia laticapus Girault, 1917. Descriptiones Hymenopterorum Chalcidoicarum Observationibus III:4 (1917). **Distribution:** Costa Rica, Mexico. **Hosts:** from leafgalls on *Persea gratissima* (Lauraceae) (Girault 1917); leafgalls on *Inga vera* (bullet, fuzzy leaf, pustule and spindle galls - most specimens from bullet galls) and on *Inga oerstediana* (maize gall) (Mimosaceae) (galls caused by Diptera: Cecidomyiidae, Hansson 2002).

BRIDAROLIELLA De Santis

***bifasciata* De Santis**

Bridaroliella bifasciata De Santis, 1949. Notas del Museo de la Plata 14:279. **Distribution:** Argentina.

Hosts: unidentified lepidopterous leafminer on *Nicotiana glauca* (Solanaceae).

CABEZA Hansson & LaSalle

***baeostigma* Hansson & LaSalle**

Cabeza baeostigma Hansson & LaSalle, 2003. Journal of Natural History 37:707-708. **Distribution:** Costa Rica.

***canaliculata* Hansson & LaSalle**

Cabeza canaliculata Hansson & LaSalle, 2003. Journal of Natural History 37:708-709. **Distribution:** Costa Rica.

***laticeps* Hansson & LaSalle**

Cabeza laticeps Hansson & LaSalle, 2003. Journal of Natural History 37:709-710. **Distribution:** Brazil.

***petiolata* Hansson & LaSalle**

Cabeza petiolata Hansson & LaSalle, 2003. Journal of Natural History 37:711-712. **Distribution:** Costa Rica.

***planiscapus* Hansson & LaSalle**

Cabeza planiscapus Hansson & LaSalle, 2003. Journal of Natural History 37:712-713. **Distribution:** Brazil.

***ugaldei* Hansson & LaSalle**

Cabeza ugaldei Hansson & LaSalle, 2003. Journal of Natural History 37:713-714. **Distribution:** Brazil.

CERANISUS Walker

***americensis* (Girault)**

Thripoctenus americensis Girault, 1917. Proceedings of the United States National Museum 53:448. **Distribution:** Argentina (Triapitsyn & Morse 2005), Canada, Costa Rica (Triapitsyn & Morse 2005), Guatemala (Triapitsyn & Morse 2005), Mexico (Triapitsyn & Morse 2005), Panama (Sakai 2001), U.S.A. (Girault 1917). **Hosts:** *Frankliniella occidentalis* (Pergande) (Thysanoptera: Thripidae) (Triapitsyn & Morse 2005).

***hoodlei* Triapitsyn & Morse**

Ceranisus hoodlei Triapitsyn & Morse, 2005. Transactions of the American Entomological Society 131:77-78. **Distribution:** Costa Rica, Honduras, Mexico, Venezuela.

***menes* (Walker)**

Pteroptrix menes Walker, 1839. Monographia Chalciditum 1 p. 18. **Synonyms:** *Thripoctenus brui* Vuillet, 1914. Comptes Rendus Hebdomadaires des Seances et memoires de la Societe de Biologie

76:553, 554; *Epomphale auriventris* Girault, 1915. *Memoirs of the Queensland Museum* 3:211; *Thripoctenus vincus* Gahan, 1932. *Annals of the Entomological Society of America* 25:746, 747; *Epomphale rubinsteina* Girault, 1934. *New Capsidae and Hymenoptera, with note on an unmentionable* (privately published) p. 3; *Ceraninus rosilloi* De Santis, 1961. *Notas del Museo de La Plata, Buenos Aires (Zoologia)* 20:13-15. **Distribution:** Cosmopolitan (Triapitsyn & Morse 2005), Argentina (De Santis 1961), Brazil (Triapitsyn & Morse 2005), Chile (Triapitsyn & Morse 2005), Mexico (Triapitsyn & Morse 2005). **Hosts:** various Thripidae (Thysanoptera) (Triapitsyn & Morse 2005).

nigrifemora De Santis

Ceraninus nigrifemora De Santis, 1961. *Notas del Museo de La Plata, Buenos Aires (Zoologia)* 20:16-19. **Distribution:** Argentina (De Santis 1961), Costa Rica (Triapitsyn & Morse 2005), Venezuela (Triapitsyn & Morse 2005).

CHRYSOCHARIS Förster

absentia Hansson

Chrysocharis absentia Hansson, 1997. *Miscellanea Zoologica* 20:83. **Distribution:** Mexico.

acuta (Ashmead)

Derostenus acutus Ashmead, 1894. *Journal of the Linnean Society (Zoology)*, 25:174. **Distribution:** Saint Vincent.

ainsliei Crawford

Chrysocharis ainsliei Crawford, 1912. *Proceedings of the United States National Museum* 43:174. **Distribution:** Canada (Hansson 1987), Cuba (Hansson 1987), Italy (Hansson 1985), Mexico (Hansson 1997), Peru (De Santis 1979), Puerto Rico (De Santis & Fidalgo 1991), U.S.A. (Crawford 1912). **Hosts:** solitary endoparasite in larvae of Agromyzidae (Diptera) mining herbs, emerging from host pupae (Hansson 1987).

beckeri Yoshimoto

Chrysocharis beckeri Yoshimoto, 1973. *Canadian Entomologist* 105:1386. **Distribution:** Canada (Yoshimoto 1973), Mexico (Hansson 1997), U.S.A. (Hansson 1986).

bedius (Walker)

Entedon bedius Walker, 1842. *Annals and Magazine of Natural History* 10:115. **Distribution:** Brazil, Chile, Colombia, Ecuador, Peru (Hansson 1987). **Hosts:** unidentified agromyzid (Diptera: Agromyzidae) on *Solanum* spp. (Solanaceae) (Hansson 1987).

boriquenensis Hansson

Chrysocharis boriquenensis Hansson, 1987. *Entomologica Scandinavica Supplement*, 31:60. **Distribution:** Puerto Rico. **Hosts:** unidentified lepidopteran associated with *Piper* sp., probably a leaf miner (Hansson 1987).

caribea Bouček

Chrysocharis caribea Bouček, 1977. *Bulletin of Entomological Research* 67:2-4. **Distribution:** Barbados (Bouček 1977), Bolivia (Hansson 1987), Brazil (Hansson 1987), Peru (Hansson 1987), Trinidad & Tobago (Bouček 1977), Uruguay (Hansson 1987), Venezuela (Bouček 1977). **Hosts:** from agromyzid leaf miners (Diptera: Agromyzidae) on herbaceous plants, e.g. *Liriomyza sativae* Blanchard (Bouček 1977).

clarkae Yoshimoto

Chrysocharis clarkae Yoshimoto, 1973. *Canadian Entomologist* 105:1392. **Synonyms:** *Chrysocharis viridula* Szelényi, 1979. *Acta Zool. Acad. Sci. Hung.* 25:179. **Distribution:** Canada (Yoshimoto 1973, Hansson 1987), Europe (Hansson 1985) Mexico (De Santis & Fidalgo 1991), USA (Yoshimoto 1973, Hansson 1987). **Hosts:** from agromyzid leaf miners (Diptera: Agromyzidae) on herbaceous plants and grasses (Hansson 1987).

crassiscapus (Thomson)

Derostenus crassiscapus Thomson, 1878. *Hymenoptera Scandinaviae* 5:264. **Synonyms:** *Chrysocharis mallochi* Gahan, 1917. *Proceedings of the United States National Museum* 53:213; *Derostenus sulcatus* Erdős, 1954. *Annls hist. nat. Mus. Natn. hung. (s.n.)* 5:347. **Distribution:** Europe, Canada, Mexico, U.S.A. (Hansson 1987). **Hosts:** leaf- and stem-mining Agromyzidae (Diptera) (Hansson 1987).

flacilla (Walker)

Entedon flacilla Walker, 1842. *Annals and Magazine of Natural History* 10:115. **Synonyms:** *Paracrias phytomyzae* Brèthes, 1923. *Rev. Zool. Agric.* 22:4. **Distribution:** Argentina, Chile, Colombia, Ecuador, El Salvador, Mexico, Peru, Uruguay (Hansson 1987). **Hosts:** from agromyzid leaf miners (Diptera: Agromyzidae) on herbaceous plants (Hansson 1987).

fulgens Howard

Chrysocharis fulgens Howard, 1897. *Journal of the Linnean Society (Zoology)* 26:167-168. **Distribution:** Grenada (Howard 1897).

gallicola Costa Lima

Nesomyia gallicola Costa Lima, 1930. *O Campo* 1:22. **Distribution:** Brazil (Costa Lima 1930). **Hosts:** *Psidium araca* (Myrtaceae), Myrtaceae indet. (Costa Lima 1930).

ignota Hansson

Chrysocharis ignota Hansson, 1987. Entomologica Scandinavica Supplement, 31:39-41. **Distribution:** Canada, Colombia, Costa Rica, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Peru, U.S.A. (Hansson 1987). **Hosts:** *Liriomyza* sp. (Diptera: Agromyzidae) mining leaves of herbs (Hansson 1987).

longinerva Hansson

Chrysocharis longinerva Hansson, 1997. Miscellània Zoològica 20:85-86. **Distribution:** Mexico.

maculipennis (Brèthes)

Mestocharis maculipennis Brèthes, 1922. An. Soc. Cient. Arg. 93:130. **Distribution:** Argentina (Brèthes 1922).

maya Hansson

Chrysocharis maya Hansson, 1997. Miscellània Zoològica 20:89-90. **Distribution:** Mexico.

oscinidis Ashmead

Chrysocharis oscinidis Ashmead, 1888. Bulletin of the Kansas Agricultural Experimental Station 3:app. p.8. **Synonyms:** *Chrysocharis viridis* Provancher, 1887. Additions et corrections au volume II de la Faune entomologique du Canada traitant des Hymenopteres, p. 209; *Chrysocharis parksi* Crawford, 1912. Proceedings of the United States National Museum 43:173. **Distribution:** Bahama Islands (Hansson 1987), Canada (Provancher 1887), Cuba (De Santis 1979), Puerto Rico (De Santis 1979), U.S.A. (Ashmead 1888). **Hosts:** agromyzid leaf miners (Diptera: Agromyzidae) mining herbs, shrubs and trees (Hansson 1987).

paradoxa Hansson

Chrysocharis paradoxa Hansson, 1985. Entomologica Scandinavica Supplement, 26:73. **Distribution:** Europe (Hansson 1985), Mexico (Hansson 1997), U.S.A. (Hansson 1987). **Hosts:** *Stigmella* spp. (Lepidoptera: Nepticulidae), *Coptodisca* sp. (Lepidoptera: Heliozelidae) (Hansson 1987).

parma Hansson

Chrysocharis parma Hansson, 1997. Miscellània Zoològica 20:86-88. **Distribution:** Mexico.

perditor Hansson

Chrysocharis perditor Hansson, 1987. Entomologica Scandinavica Supplement, 31:38-39. **Distribution:** Mexico, U.S.A. (Hansson 1987).

polita (Howard)

Sympiesis politus Howard, 1897. Journal of the Linnean Society (Zoology) 26:164. **Synonyms:**

Chrysocharis fulgens Howard, 1897. Journal of the Linnean Society (Zoology) 26:167; *Chrysocharis cubensis* Gahan, 1932. Annals of the Entomological Society of America 25:748. **Distribution:** Canada, Cuba, Dominica, Grenada, Jamaica, U.S.A. (Hansson 1987). **Hosts:** agromyzid leaf miners (Diptera: Agromyzidae) mining herbs, shrubs and trees (Hansson 1987).

prodice (Walker)

Entedon prodice Walker, 1839. Monographia Chalciditum I p. 41. **Synonyms:** see Hansson (1987). **Distribution:** Palearctic region, Canada, Mexico, U.S.A. (Hansson 1987). **Hosts:** *Stigmella* spp. (Lepidoptera: Nepticulidae) (Hansson 1987).

purpurascens Hansson

Chrysocharis purpurascens Hansson, 1997. Miscellània Zoològica 20:88. **Distribution:** Mexico.

stigmata Ashmead

Chrysocharis stigmata Ashmead 1894. Journal of the Linnean Society (Zoology) 25:175. **Distribution:** Saint Vincent (Ashmead 1894).

sulcata (Hansson)

Zaommomyia sulcata Hansson, 1986. Proceedings of the Entomological Society of Washington 88:251-252. **Distribution:** Brazil (De Santis & Fidalgo 1991), Saint Vincent (Hansson 1986), Trinidad & Tobago (De Santis & Fidalgo 1991), U.S.A. (Florida) (Hansson 1986).

tristis Hansson

Chrysocharis tristis Hansson, 1987. Entomologica Scandinavica Supplement, 31:41-42. **Distribution:** Canada, Bolivia, Brazil, Costa Rica, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Panama, Peru, Trinidad & Tobago, U.S.A. (Hansson 1987). **Hosts:** agromyzids (Diptera: Agromyzidae) mining leaves of herbs (Hansson 1987).

vonones (Walker)

Gastrancistrus vonones Walker, 1839. Monographia Chalciditum 2 p. 67. **Synonyms:** *Derostenus acutus* Ashmead, 1894. Journal of the Linnean Society (Zoology) 25:174; *Sympiesis grenadensis* Howard, 1897. Journal of the Linnean Society (Zoology) 26:163; *Chrysocharodes majoriani* Girault, 1917. Descriptions Hymenopterorum Chalcidoidicarum Variorum cum Observationibus, III p. 10.; *Phytomyzophaga albipes* Brèthes, 1923. Rev. Zool. Agr. Appl. Bordeaux 22:155. **Distribution:** Brazil (Walker 1839), Mexico (Hansson 1997), the West Indies (Ashmead 1894), U.S.A (Girault 1917). **Hosts:** *Agromyza parvicornis* Loew (Diptera: Agromyzidae), *Liriomyza sorosis* (Diptera: Cecidomyiidae) (Hansson 1986).

walleyi Yoshimoto

Chrysocharis walleyi Yoshimoto, 1973. Canadian Entomologist 105:1323. **Distribution:** Canada, Ecuador, El Salvador, Guatemala, Mexico, Peru, U.S.A. (Hansson 1987). **Hosts:** *Phyllonorycter* spp. (Lepidoptera: Gracillariidae), *Tischeria* spp. (Lepidoptera: Tischeriidae) (Hansson 1987).

CHRYSOCHARODES Ashmead**petiolata Ashmead**

Chrysocharodes petiolata Ashmead, 1894. Journal of the Linnean Society (Zoology) 25:177. **Distribution:** Panama, Saint Vincent (Ashmead 1894).

rotundiventris De Santis

Chrysocharodes rotundiventris De Santis in Macedo et al., 1990. Revista Bras.ent. 34:638. **Distribution:** Brazil. **Hosts:** *Mecistomela marginata* (Coleoptera: Chrysomelidae).

lasallei Schauff

Chrysocharodes lasallei Schauff, 1998. Proceedings of the Entomological Society of Washington 100:258. **Distribution:** Colombia. **Hosts:** *Phyllocnistis citrella* (Lepidoptera: Gracillariidae).

CHRYSONOTOMYIA Ashmead**abdita Hansson**

Chrysonotomyia abdita Hansson, 2004. Memoirs of the American Entomological Institute 75:48-49. **Distribution:** Costa Rica. **Hosts:** from an unidentified spherical leaf gall on *Ficus colubrinae* (Moraceae).

acutangula Hansson

Chrysonotomyia acutangula Hansson, 2004. Memoirs of the American Entomological Institute 75:115-116. **Distribution:** Costa Rica, Mexico.

alajuelae Hansson

Chrysonotomyia alajuelae Hansson, 2004. Memoirs of the American Entomological Institute 75:49. **Distribution:** Costa Rica.

albicornis Hansson

Chrysonotomyia albicornis Hansson, 2004. Memoirs of the American Entomological Institute 75:49-50. **Distribution:** Costa Rica.

albicoxa Hansson

Chrysonotomyia albicoxa Hansson, 2004. Memoirs of the American Entomological Institute 75:50-51. **Distribution:** Colombia, Costa Rica.

albifascia Hansson

Chrysonotomyia albifascia Hansson, 2004. Memoirs of the American Entomological Institute 75:100-101. **Distribution:** Costa Rica.

albogilva Hansson

Chrysonotomyia albogilva Hansson, 2004. Memoirs of the American Entomological Institute 75:51. **Distribution:** Costa Rica.

alpigena Hansson

Chrysonotomyia alpigena Hansson, 2004. Memoirs of the American Entomological Institute 75:51-52. **Distribution:** Costa Rica.

altamirae Hansson

Chrysonotomyia altamirae Hansson, 2004. Memoirs of the American Entomological Institute 75:52-53. **Distribution:** Costa Rica.

ambonata Hansson

Chrysonotomyia ambonata Hansson, 2004. Memoirs of the American Entomological Institute 75:97. **Distribution:** Mexico.

arenalicola Hansson

Chrysonotomyia arenalicola Hansson, 2004. Memoirs of the American Entomological Institute 75:53. **Distribution:** Costa Rica.

auripunctata (Ashmead)

Eulophus auripunctatus Ashmead, 1894. Journal of the Linnean Society (Zoology), 25:166. **Synonyms:** *Closterocerus albipes* Ashmead, 1894. Journal of the Linnean Society (Zoology), 25:177; *Achrysocharoides pulchrella* Girault, 1917. Psyche, 24:94-95; *Achrysocharis diplosidis* Kerrich, 1974. Bulletin of Entomological Research, 63:630-631. **Distribution:** Brazil (Kerrich 1974), Costa Rica (Hansson 1994), Guatemala (Hansson 2004), Guyana (Bouček 1977), Mexico (Hansson 2004), Panama (Hansson 1994), Saint Vincent (Ashmead 1894), Trinidad & Tobago (Hansson 1994), USA (Girault 1917). **Hosts:** *Ctenodactylomyia watsoni* (Diptera: Cecidomyiidae) (Burks 1979), *Hyperdiplosis eupatorii* (Cecidomyiidae) (Kerrich 1974), from a leaf gall on *Coccoloba uvifera* (Polygonaceae) (Burks 1979), from a leaf gall on *Avicennia* (Verbenaceae) (Bouček 1977), from a gall on *Pithecellobium* (Fabaceae) (Burks 1979), from unidentified Cecidomyiidae leaf galls on *Cecropia insignis* and *C. obtusifolia* (Cecropiaceae) (Hansson 2004), from unidentified Cecidomyiidae leaf galls on *Cissus* (Vitaceae) (Hansson 2004), from unidentified leaf galls on *Ficus colubrinae* (Moraceae) (Hansson 2004); from unidentified leaf galls on *Lantana camara* (Verbenaceae) (Hansson 2004), from unidentified Cecidomyiidae galls on *Licania arborea* (Chrysobalanaceae) (Hansson 2004), from unidentified Cecidomyiidae galls on *Rubus* (Rosaceae) (Hansson 2004), from

unidentified Cecidomyiidae galls on *Hirtella flava* (Chrysobalanaceae) (Paniagua & Hansson 2009).

***barbata* Hansson**

Chrysonotomyia barbata Hansson, 2004. Memoirs of the American Entomological Institute 75:55. **Distribution:** Costa Rica.

***bimaculata* Hansson**

Chrysonotomyia bimaculata Hansson, 2004. Memoirs of the American Entomological Institute 75:98-99. **Distribution:** Mexico.

***bivittata* Hansson**

Chrysonotomyia bivittata Hansson, 2004. Memoirs of the American Entomological Institute 75:101-102. **Distribution:** Costa Rica.

***burrufascia* Hansson**

Chrysonotomyia burrufascia Hansson, 2004. Memoirs of the American Entomological Institute 75:55-56. **Distribution:** Costa Rica.

***cardinalis* Hansson**

Chrysonotomyia cardinalis Hansson, 2004. Memoirs of the American Entomological Institute 75:56-57. **Distribution:** Costa Rica.

***caribensis* Hansson**

Chrysonotomyia caribensis Hansson, 2004. Memoirs of the American Entomological Institute 75:57-58. **Distribution:** Costa Rica.

***casacocae* Hansson**

Chrysonotomyia casacocae Hansson, 2004. Memoirs of the American Entomological Institute 75:58. **Distribution:** Costa Rica.

***cecropiae* Hansson**

Chrysonotomyia cecropiae Hansson, 2004. Memoirs of the American Entomological Institute 75:58-59. **Distribution:** Costa Rica. **Hosts:** from a gall-midge (Diptera: Cecidomyiidae) leaf gall on *Cecropia polyphlebia* (Cecropiaceae).

***citrinigaster* Hansson**

Chrysonotomyia citrinigaster Hansson, 2004. Memoirs of the American Entomological Institute 75:112. **Distribution:** Costa Rica.

***claviger* Paniagua & Hansson**

Chrysonotomyia claviger Paniagua & Hansson, 2009. ZooTaxa 2237:43-58. **Distribution:** Panama. **Hosts:** from unidentified Cecidomyiidae galls (Diptera) on *Copaifera* sp. (Fabaceae) and *Serjania mexicana* (Sapindaceae).

***cnecosoma* Hansson**

Chrysonotomyia cnecosoma Hansson, 2004. Memoirs of the American Entomological Institute 75:59-60. **Distribution:** Costa Rica.

***conostegiae* Hansson**

Chrysonotomyia conostegiae Hansson, 2004. Memoirs of the American Entomological Institute 75:107-109. **Distribution:** Costa Rica, Honduras, Mexico, Panama, Trinidad & Tobago. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) leaf pustule galls on *Satyria* sp. (Ericaceae) and *Ficus* sp. (Moraceae), petiole gall of *Mompha* sp. (Lepidoptera: Momphidae) on *Conostegia xalapensis* (Melastomataceae), gall on *Conostegia pittieri*, gall-midge "bullet galls" on *Inga vera* (Fabaceae), gall-midge mid vein gall on *Piper hispidum* (Piperaceae), leaf gall on *Struthanthus* (Loranthaceae), seeds (probably from *Megastigmus* sp. (Hymenoptera: Torymidae), of *Ilex pallida* (Aquifoliaceae).

***corallina* Hansson**

Chrysonotomyia corallina Hansson, 2004. Memoirs of the American Entomological Institute 75:60. **Distribution:** Costa Rica.

***cornigera* Hansson**

Chrysonotomyia cornigera Hansson, 2004. Memoirs of the American Entomological Institute 75:61. **Distribution:** Costa Rica. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) in leaf galls on *Ficus morazaniana* and *F. tonduzi* (Moraceae).

***corynata* Hansson**

Chrysonotomyia corynata Hansson, 2004. Memoirs of the American Entomological Institute 75:61-62. **Distribution:** Mexico.

***crassipes* Hansson**

Chrysonotomyia crassipes Hansson, 2004. Memoirs of the American Entomological Institute 75:62-63. **Distribution:** Costa Rica.

***crinipennis* Hansson**

Chrysonotomyia crinipennis Hansson, 2004. Memoirs of the American Entomological Institute 75:63. **Distribution:** Mexico.

***crotapha* Hansson**

Chrysonotomyia crotapha Hansson, 2004. Memoirs of the American Entomological Institute 75:116. **Distribution:** Costa Rica.

***delticeps* Hansson**

Chrysonotomyia delticeps Hansson, 2004. Memoirs of the American Entomological Institute 75:63-64. **Distribution:** Costa Rica.

***dictyota* Hansson**

Chrysonotomyia dictyota Hansson, 2004. Memoirs of the American Entomological Institute 75:64-65. **Distribution:** Costa Rica.

***dinomerinx* Hansson**

Chrysonotomyia dinomerinx Hansson, 2004. Memoirs of the American Entomological Institute 75:65. **Distribution:** Costa Rica.

***disticha* Hansson**

Chrysonotomyia disticha Hansson, 2004. Memoirs of the American Entomological Institute 75:65-66. **Distribution:** Costa Rica. **Hosts:** from a gall-midge (Diptera: Cecidomyiidae) leaf gall on *Rhizophora* sp. (Rhizophoraceae).

***dolichogaster* Hansson**

Chrysonotomyia dolichogaster Hansson, 2004. Memoirs of the American Entomological Institute 75:66. **Distribution:** Costa Rica.

***dolichura* Hansson**

Chrysonotomyia dolichura Hansson, 2004. Memoirs of the American Entomological Institute 75:67. **Distribution:** Costa Rica.

***dussiae* Paniagua & Hansson**

Chrysonotomyia dussiae Paniagua & Hansson, 2009. ZooTaxa 2237:43-58. **Distribution:** Panama. **Hosts:** from unidentified Cecidomyiidae galls (Diptera) on *Dussia munda* (Fabaceae).

***epacra* Hansson**

Chrysonotomyia epacra Hansson, 2004. Memoirs of the American Entomological Institute 75:67-68. **Distribution:** Costa Rica.

***erugata* Hansson**

Chrysonotomyia erugata Hansson, 2004. Memoirs of the American Entomological Institute 75:102-103. **Distribution:** Costa Rica. **Hosts:** from a leaf blister gall on *Minquartia* sp. (Olacaceae).

***fasciata* Hansson**

Chrysonotomyia fasciata Hansson, 2004. Memoirs of the American Entomological Institute 75:103-104. **Distribution:** Costa Rica.

***galbina* Hansson**

Chrysonotomyia galbina Hansson, 2004. Memoirs of the American Entomological Institute 75:68-69. **Distribution:** Costa Rica, Panama (Paniagua & Hansson 2009). **Hosts:** from unidentified Cecidomyiidae on *Poulsenia armata* (Moraceae) (Paniagua & Hansson 2009).

***godoyae* Hansson**

Chrysonotomyia godoyae Hansson, 2004. Memoirs of the American Entomological Institute 75:104. **Distribution:** Costa Rica.

***grossa* Hansson**

Chrysonotomyia grossa Hansson, 2004. Memoirs of the American Entomological Institute 75:69. **Distribution:** Belize, Costa Rica.

***helvola* Hansson**

Chrysonotomyia helvola Hansson, 2004. Memoirs of the American Entomological Institute 75:70. **Distribution:** Costa Rica.

***indigitus* Hansson**

Chrysonotomyia indigitus Hansson, 2004. Memoirs of the American Entomological Institute 75:109-110. **Distribution:** Costa Rica, Mexico. **Hosts:** from leaf galls on *Semialarium mexicanum* (Hippocrateaceae).

***ingagena* Hansson**

Chrysonotomyia ingagena Hansson, 2004. Memoirs of the American Entomological Institute 75:116-117. **Distribution:** Costa Rica. **Hosts:** from galls on *Inga vera* (Fabaceae).

***jimenezi* Hansson**

Chrysonotomyia jimenezi Hansson, 2004. Memoirs of the American Entomological Institute 75:71. **Distribution:** Costa Rica. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) galls on *Malvaviscus arboreus* (Malvaceae).

***laevis* Hansson**

Chrysonotomyia laevis Hansson, 2004. Memoirs of the American Entomological Institute 75:105-106. **Distribution:** Costa Rica. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) blister galls on *Pilea imparifolia* (Urticaceae).

***laeviscuta* Hansson**

Chrysonotomyia laeviscuta Hansson, 2004. Memoirs of the American Entomological Institute 75:110-111. **Distribution:** Brazil, Colombia, Costa Rica, Mexico, Panama (Paniagua & Hansson 2009), Venezuela. **Hosts:** from unidentified galls of Cecidomyiidae on *Smilax panamensis* (Smilacaceae) (Paniagua & Hansson 2009).

***lapierrei* Hansson**

Chrysonotomyia lapierrei Hansson, 2004. Memoirs of the American Entomological Institute 75:71-72. **Distribution:** Costa Rica. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) leaf galls on *Cecropia polyphlebia* and *C. obtusifolia* (Cecropiaceae).

***latistipes* Hansson**

Chrysonotomyia latistipes Hansson, 2004. Memoirs of the American Entomological Institute 75:72-73. **Distribution:** Venezuela.

***lavirgenensis* Hansson**

Chrysonotomyia lavirgenensis Hansson, 2004. *Memoirs of the American Entomological Institute* 75:112-113. **Distribution:** Costa Rica.

***leucocera* Hansson**

Chrysonotomyia leucocera Hansson, 2004. *Memoirs of the American Entomological Institute* 75:73. **Distribution:** Costa Rica.

***leucotela* Hansson**

Chrysonotomyia leucotela Hansson, 2004. *Memoirs of the American Entomological Institute* 75:73-74. **Distribution:** Costa Rica.

***limbata* Hansson**

Chrysonotomyia limbata Hansson, 2004. *Memoirs of the American Entomological Institute* 75:74-75. **Distribution:** Costa Rica. **Hosts:** from unidentified stem galls on *Psidium* sp. (Myrtaceae), and gall-midge (Diptera: Cecidomyiidae) leaf galls on *Smilax* sp. (Smilacaceae).

***lioceps* Hansson**

Chrysonotomyia lioceps Hansson, 2004. *Memoirs of the American Entomological Institute* 75:117-118. **Distribution:** Costa Rica.

***liosoma* Hansson**

Chrysonotomyia liosoma Hansson, 2004. *Memoirs of the American Entomological Institute* 75:75. **Distribution:** Mexico.

***longicaudata* Paniagua & Hansson**

Chrysonotomyia longicaudata Paniagua & Hansson, 2009. *ZooTaxa* 2237:43-58. **Distribution:** Panama. **Hosts:** from unidentified Cecidomyiidae galls (Diptera) on *Coccoloba parimensis* (Polygonaceae).

***longiscuta* Hansson**

Chrysonotomyia longiscuta Hansson, 2004. *Memoirs of the American Entomological Institute* 75:99. **Distribution:** Colombia.

***longissima* Hansson**

Chrysonotomyia longissima Hansson, 2004. *Memoirs of the American Entomological Institute* 75:75-76. **Distribution:** Costa Rica.

***machaeriae* Paniagua & Hansson**

Chrysonotomyia machaeriae Paniagua & Hansson, 2009. *ZooTaxa* 2237:43-58. **Distribution:** Panama. **Hosts:** from blister galls of an unidentified Cecidomyiidae (Diptera) on *Machaerium milleflorum* (Fabaceae).

***macrura* Hansson**

Chrysonotomyia macrura Hansson, 2004. *Memoirs of the American Entomological Institute* 75:76-77. **Distribution:** Costa Rica. **Hosts:** from an

unidentified "fuzzy" leaf gall and an unidentified gall of Cecidomyiidae (Diptera) on *Coussapoa villosa* (Cecropiaceae).

***maculata* (Delucchi)**

Moserina maculata Delucchi, 1962. *Journal of the Kansas Entomological Society*, 35:389. **Distribution:** Canada (Hansson 1994), Costa Rica (Hansson 2004), Honduras (Hansson 2004), U.S.A. (Delucchi 1962). **Hosts:** from gall-midge (Diptera: Cecidomyiidae) leaf galls on *Coccoloba* (Polygonaceae) (Hansson 2004); unspecified stem swelling gall on an unspecified plant (Hansson 2004); *Pachypsylla celtidismamma*, *P. celtidisvesicula* (Hemiptera, Psyllidae) (Delucchi 1962).

***maurogaster* Hansson**

Chrysonotomyia maurogaster Hansson, 2004. *Memoirs of the American Entomological Institute* 75:118. **Distribution:** Costa Rica.

***megalops* Hansson**

Chrysonotomyia megalops Hansson, 2004. *Memoirs of the American Entomological Institute* 75:118-119. **Distribution:** Costa Rica. **Hosts:** from unidentified gall-midges (Diptera: Cecidomyiidae) on *Licania arborea* (Chrysobalanaceae).

***melasoma* Hansson**

Chrysonotomyia melasoma Hansson, 2004. *Memoirs of the American Entomological Institute* 75:78. **Distribution:** Costa Rica.

***metallica* Ashmead**

Gyrolasia metallica Ashmead, 1894. *Journal of the Linnean Society (Zoology)* 25:181. **Distribution:** Grenada, Saint Vincent (Ashmead 1894).

***micraulax* Hansson**

Chrysonotomyia micraulax Hansson, 2004. *Memoirs of the American Entomological Institute* 75:78-79. **Distribution:** Belize, Costa Rica, Honduras.

***montigena* Hansson**

Chrysonotomyia montigena Hansson, 2004. *Memoirs of the American Entomological Institute* 75:79-80. **Distribution:** Costa Rica.

***multinincta* Hansson**

Chrysonotomyia multinincta Hansson, 2004. *Memoirs of the American Entomological Institute* 75:80-81. **Distribution:** Costa Rica.

***nectandrigena* Hansson**

Chrysonotomyia nectandrigena Hansson, 2004. *Memoirs of the American Entomological Institute* 75:81. **Distribution:** Costa Rica. **Hosts:** from gall-

midge (Diptera: Cecidomyiidae) leaf galls on *Nectandra membranacea* (Lauraceae).

***neeigena* Hansson**

Chrysonotomyia neeigena Hansson, 2004. Memoirs of the American Entomological Institute 75:113.

Distribution: Costa Rica. **Hosts:** from Cecidomyiidae leaf gall on *Eschweilera neei* (Lecythidaceae).

***niveicornis* Hansson**

Chrysonotomyia niveicornis Hansson, 2004. Memoirs of the American Entomological Institute 75:82. **Distribution:** Costa Rica.

***niveicrus* Hansson**

Chrysonotomyia niveicrus Hansson, 2004. Memoirs of the American Entomological Institute 75:82-83.

Distribution: Costa Rica.

***osae* Hansson**

Chrysonotomyia osae Hansson, 2004. Memoirs of the American Entomological Institute 75:83.

Distribution: Costa Rica.

***pallidiventris* Hansson**

Chrysonotomyia pallidiventris Hansson, 2004. Memoirs of the American Entomological Institute 75:83-84. **Distribution:** Costa Rica.

***pansata* Hansson**

Chrysonotomyia pansata Hansson, 2004. Memoirs of the American Entomological Institute 75:84-86.

Distribution: Colombia, Costa Rica, Mexico, Venezuela. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) blister galls on *Pilea imparifolia* (Urticaceae).

***parva* Hansson**

Chrysonotomyia parva Hansson, 2004. Memoirs of the American Entomological Institute 75:86.

Distribution: Costa Rica.

***perlonga* Hansson**

Chrysonotomyia perlonga Hansson, 2004. Memoirs of the American Entomological Institute 75:114.

Distribution: Costa Rica.

***phenacapsia* (Yoshimoto)**

Achrysocharis phenacapsia Yoshimoto, 1972. Canadian Entomologist, 104:1483. **Distribution:** Brazil (Hansson 2004), Colombia (Hansson 2004), Costa Rica (Hansson 2004), Mexico (Hansson 2004), Panama (Paniagua & Hansson 2009), U.S.A (Yoshimoto 1972). **Hosts:** from leaf galls of gall-midges (Diptera: Cecidomyiidae) on *Cecropia insignis* and *C. obtusifolia* (Cecropiaceae), *Euphalerus* (Hemiptera: Psyllidae) on *Lonchocarpus heptaphyllus* (Fabaceae), *Saissetia hemisphaerica* (Hemiptera: Coccidae) on *Coffea*

(Rubiaceae), all are records from Hansson (2004); *Phenacapsis pinifoliae* (Hemiptera: Psyllidae) (Yoshimoto 1972), unidentified galls of Cecidomyiidae on *Copaifera* sp. (Fabaceae) (Paniagua & Hansson 2009).

***pherochera* Hansson**

Chrysonotomyia pherochera Hansson, 2004. Memoirs of the American Entomological Institute 75:86-87. **Distribution:** Costa Rica, Mexico, U.S.A. (Florida, Missouri) (Schauff, Yoshimoto & Hansson 1994 – as *Callifrons maculata*).

***pilata* Hansson**

Chrysonotomyia pilata Hansson, 2004. Memoirs of the American Entomological Institute 75:87.

Distribution: Costa Rica.

***piperigena* Hansson**

Chrysonotomyia piperigena Hansson, 2004. Memoirs of the American Entomological Institute 75:87-88.

Distribution: Costa Rica. **Hosts:** from *Zalepidota* sp. (Diptera: Cecidomyiidae) leaf galls on *Piper crassinervus* (Piperaceae).

***planipes* Hansson**

Chrysonotomyia planipes Hansson, 2004. Memoirs of the American Entomological Institute 75:99-100.

Distribution: Costa Rica.

***planiseta* Hansson**

Chrysonotomyia planiseta Hansson, 2004. Memoirs of the American Entomological Institute 75:120-121. **Distribution:** Brazil, Costa Rica, Trinidad & Tobago. **Hosts:** from galls on *Inga oerstediana*, *I. vera* and *Zygia* (formerly *Pithecellobium*) *longifolia* (Fabaceae).

***propodealis* Hansson**

Chrysonotomyia propodealis Hansson, 2004. Memoirs of the American Entomological Institute 75:88-89. **Distribution:** Costa Rica.

***reticulata* Hansson**

Chrysonotomyia reticulata Hansson, 2004. Memoirs of the American Entomological Institute 75:106. **Distribution:** Costa Rica. **Hosts:** from large leaf pustule gall on large-leaved Melastomataceae.

***rubii* Hansson**

Chrysonotomyia rubii Hansson, 2004. Memoirs of the American Entomological Institute 75:107. **Distribution:** Costa Rica. **Hosts:** from large leaf pustule gall on large-leaved Melastomataceae.

***santarosae* Hansson**

Chrysonotomyia santarosae Hansson, 2004. Memoirs of the American Entomological Institute 75:89-90. **Distribution:** Costa Rica. **Hosts:** from

leaf galls on *Lonchocarpus minimiflorus* (Fabaceae).

***serjaniae* Hansson**

Chrysonotomyia serjaniae Hansson, 2004. Memoirs of the American Entomological Institute 75:121. **Distribution:** Costa Rica. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) leaf galls on *Serjania mexicana* (Sapindaceae).

***setiscuta* Hansson**

Chrysonotomyia setiscuta Hansson, 2004. Memoirs of the American Entomological Institute 75:90. **Distribution:** Costa Rica. **Hosts:** from an unidentified gall.

***strigifer* Hansson**

Chrysonotomyia strigifer Hansson, 2004. Memoirs of the American Entomological Institute 75:122. **Distribution:** Costa Rica. **Hosts:** from a leaf gall of a gall-midge (Diptera: Cecidomyiidae) on *Eschweilera neei* (Lecythidaceae).

***striolata* Hansson**

Chrysonotomyia striolata Hansson, 2004. Memoirs of the American Entomological Institute 75:91. **Distribution:** Costa Rica.

***temporata* Hansson**

Chrysonotomyia temporata Hansson, 2004. Memoirs of the American Entomological Institute 75:91-92. **Distribution:** Costa Rica.

***thapsina* Hansson**

Chrysonotomyia thapsina Hansson, 2004. Memoirs of the American Entomological Institute 75:92. **Distribution:** Costa Rica.

***thysanota* Hansson**

Chrysonotomyia thysanota Hansson, 2004. Memoirs of the American Entomological Institute 75:93. **Distribution:** Costa Rica.

***tristicha* Hansson**

Chrysonotomyia tristicha Hansson, 2004. Memoirs of the American Entomological Institute 75:93-94. **Distribution:** Costa Rica.

***unifasciata* Hansson**

Chrysonotomyia unifasciata Hansson, 2004. Memoirs of the American Entomological Institute 75:94. **Distribution:** Colombia.

***unimaculata* Paniagua & Hansson**

Chrysonotomyia unimaculata Paniagua & Hansson, 2009. ZooTaxa 2237:43-58. **Distribution:** Panama. **Hosts:** from lignified galls of an unidentified Cecidomyiidae (Diptera) on petiole of *Phryganocydia corymbosa* (Bignoniaceae).

***upalacola* Hansson**

Chrysonotomyia upalacola Hansson, 2004. Memoirs of the American Entomological Institute 75:95. **Distribution:** Costa Rica.

***variegata* Hansson**

Chrysonotomyia variegata Hansson, 2004. Memoirs of the American Entomological Institute 75:95-96. **Distribution:** Costa Rica.

***varitincta* Hansson**

Chrysonotomyia varitincta Hansson, 2004. Memoirs of the American Entomological Institute 75:114-115. **Distribution:** Costa Rica.

***xuthotela* Hansson**

Chrysonotomyia xuthotela Hansson, 2004. Memoirs of the American Entomological Institute 75:96. **Distribution:** Costa Rica.

CLOSTEROCERUS Westwood

***albitibiae* (Girault)**

Achrysocharis albitibiae Girault, 1917. Canadian Entomologist. **Distribution:** Saint Vincent (Girault 1917).

***ciliata* Ashmead**

Cornugon diceros Hansson, 2011. Zootaxa 2873:12-14. **Distribution:** Costa Rica, Mexico.

gibberum Hansson

Cornugon gibberum Hansson, 2011. Zootaxa 2873:14-15. **Distribution:** Costa Rica.

leios Hansson

Cornugon leios Hansson, 2011. Zootaxa 2873:15-16. **Distribution:** Costa Rica.

petiolatum Hansson

Cornugon petiolatum Hansson, 2011. Zootaxa 2873:16-18. **Distribution:** Honduras.

reticulatum Hansson

Cornugon reticulatum Hansson, 2011. Zootaxa 2873:18-19. **Distribution:** Costa Rica, Ecuador.

unicornis Hansson

Cornugon unicornis Hansson, 2011. Zootaxa 2873:19-23. **Distribution:** Costa Rica.

DASYOMPHALE LaSalle & Schauff

chilensis LaSalle & Schauff

Dasyomphale chilensis LaSalle & Schauff, 1994. Systematic Entomology, 19:256. **Distribution:** Chile. **Hosts:** from an unidentified Aleurodicinae (Hemiptera: Aleyrodidae) on *Quillaja saponaria* (Rosaceae).

DENTALION Hansson

alveum Hansson

Dentalion alveum Hansson, 2011. Zootaxa 2811:5-6. **Distribution:** Costa Rica.

ambonatum Hansson

Dentalion ambonatum Hansson, 2011. Zootaxa 2811:6-7. **Distribution:** Brazil.

apertum Hansson

Dentalion apertum Hansson, 2011. Zootaxa 2811:7. **Distribution:** Costa Rica.

apon Hansson

Dentalion apon Hansson, 2011. Zootaxa 2811:8-9. **Distribution:** Costa Rica.

crassicornis Hansson

Dentalion crassicornis Hansson, 2011. Zootaxa 2811:10-11. **Distribution:** Trinidad & Tobago.

jimenezi Hansson

Dentalion jimenezi Hansson, 2011. Zootaxa 2811:11-12. **Distribution:** Costa Rica.

***mischum* Hansson**

Dentalion mischum Hansson, 2011. Zootaxa 2811:12. **Distribution:** Ecuador.

***noyesi* Hansson**

Dentalion noyesi Hansson, 2011. Zootaxa 2811:13-14. **Distribution:** Costa Rica, Trinidad & Tobago.

***pinguicornis* Hansson**

Dentalion pinguicornis Hansson, 2011. Zootaxa 2811:14-16. **Distribution:** Costa Rica.

***pnigaliae* Hansson**

Dentalion pnigaliae Hansson, 2011. Zootaxa 2811:16-18. **Distribution:** Costa Rica.

***quadrifer* Hansson**

Dentalion quadrifer Hansson, 2011. Zootaxa 2811:19-21. **Distribution:** Costa Rica.

DINOPTERIDION* Hansson**corcovadoense* Hansson**

Dinopteridion corcovadoense Hansson, 2004. Memoirs of the American Entomological Institute 75:124-125. **Distribution:** Costa Rica.

***gigas* Hansson**

Dinopteridion gigas Hansson, 2004. Memoirs of the American Entomological Institute 75:125-126. **Distribution:** Costa Rica.

***gouleti* Hansson**

Dinopteridion gouleti Hansson, 2004. Memoirs of the American Entomological Institute 75:126-127. **Distribution:** Costa Rica.

***languidiceps* Hansson**

Dinopteridion languidiceps Hansson, 2004. Memoirs of the American Entomological Institute 75:127. **Distribution:** Costa Rica.

***turbinis* Hansson**

Dinopteridion turbinis Hansson, 2004. Memoirs of the American Entomological Institute 75:129-131. **Distribution:** Costa Rica, Guatemala, Honduras, Mexico, Trinidad & Tobago.

DRIOPTERON* Hansson**azofeifai* Hansson**

Driopteron azofeifai Hansson, 2004. Memoirs of the American Entomological Institute 75:133. **Distribution:** Costa Rica.

***callainum* Hansson**

Driopteron callainum Hansson, 2004. Memoirs of the American Entomological Institute 75:134. **Distribution:** Costa Rica. **Hosts:** from gall-midge

(Diptera: Cecidomyiidae) "circle of craters" galls on *Avicennia germinans* (Verbenaceae).

***cristatum* Hansson**

Driopteron cristatum Hansson, 2004. Memoirs of the American Entomological Institute 75:134-135. **Distribution:** Costa Rica, Ecuador, Peru. **Hosts:** from galls on *Psychotria* sp. (Rubiaceae); and from *Doliocarpus* (Dilleniaceae), presumably from galls on an unidentified plant.

***exilicornis* Hansson**

Driopteron exilicornis Hansson, 2004. Memoirs of the American Entomological Institute 75:136. **Distribution:** Costa Rica.

***folioides* Hansson**

Driopteron folioides Hansson, 2004. Memoirs of the American Entomological Institute 75:136-138. **Distribution:** Costa Rica. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) petiole gall on *Asplundia euryspatha* (Cyclanthaceae), and gall-midge leaf gall on *Palicourea standleyana* (Rubiaceae).

***limonense* Hansson**

Driopteron limonense Hansson, 2004. Memoirs of the American Entomological Institute 75:138-139. **Distribution:** Costa Rica.

EMERSONELLA* Girault**acidota* Hansson**

Emersonella acidota Hansson, 2002. Memoirs of the American Entomological Institute 67:33. **Distribution:** Costa Rica, Trinidad & Tobago.

***acuminata* Hansson**

Emersonella acuminata Hansson, 2002. Memoirs of the American Entomological Institute 67:64-65. **Distribution:** Costa Rica.

***aequalis* Hansson**

Emersonella aequalis Hansson, 2002. Memoirs of the American Entomological Institute 67:65-66. **Distribution:** Costa Rica.

***albicoxa* Hansson**

Emersonella albicoxa Hansson, 2002. Memoirs of the American Entomological Institute 67:34. **Distribution:** Panama, Saint Vincent. **Hosts:** parasite in eggs of *Hilarocassis evanida* Boheman (Coleoptera: Chrysomelidae).

***ampliocula* Hansson**

Emersonella ampliocula Hansson, 2002. Memoirs of the American Entomological Institute 67:55-56. **Distribution:** Costa Rica.

***angustifrons* Hansson**

Emersonella angustifrons Hansson, 2002. Memoirs of the American Entomological Institute 67:56-57.
Distribution: Trinidad & Tobago.

***angusticollum* Hansson**

Emersonella angusticollum Hansson, 2002. Memoirs of the American Entomological Institute 67:34-35. **Distribution:** Costa Rica.

***azofeifai* Hansson**

Emersonella azofeifai Hansson, 2002. Memoirs of the American Entomological Institute 67:57.
Distribution: Costa Rica.

***bennetti* Hansson**

Emersonella bennetti Hansson, 2002. Memoirs of the American Entomological Institute 67:35-36.
Distribution: Costa Rica, Trinidad & Tobago.

***brevinervis* Hansson**

Emersonella brevinervis Hansson, 2002. Memoirs of the American Entomological Institute 67:66-67.
Distribution: Costa Rica, Guatemala.

***carballoi* Hansson**

Emersonella carballoi Hansson, 2002. Memoirs of the American Entomological Institute 67:36-37.
Distribution: Costa Rica, Panama, Trinidad & Tobago. **Hosts:** parasite in eggs of *Charidotella* sp. and *Agroiconota bivittata* Say (Coleoptera: Chrysomelidae).

***cuignetae* Hansson**

Emersonella cuignetae Hansson, 2002. Memoirs of the American Entomological Institute 67:73.
Distribution: Panama. **Hosts:** parasite in eggs of *Chelymorpha alternans* Boheman (Coleoptera: Chrysomelidae).

***curculiovora* Hansson & Nishida**

Emersonella curculiovora Hansson & Nishida, 2004. ZooTaxa 607:3-6. **Distribution:** Costa Rica. **Hosts:** parasite in eggs of *Camptocheirus* sp. (Coleoptera: Curculionidae) in stems of *Cinnamomum cinnamomifolium*.

***deplanata* Hansson**

Emersonella deplanata Hansson, 2002. Memoirs of the American Entomological Institute 67:37-38.
Distribution: Colombia.

***desantisi* Hansson**

Emersonella desantisi Hansson, 2002. Memoirs of the American Entomological Institute 67:38-40.
Distribution: Colombia, Costa Rica, Panama, Trinidad & Tobago. **Hosts:** parasite in eggs of *Charidotella zona* Fabricius (Coleoptera: Chrysomelidae).

***dichroa* Hansson**

Emersonella dichroa Hansson, 2002. Memoirs of the American Entomological Institute 67:67-68.
Distribution: Colombia, Costa Rica.

***dispilota* Hansson**

Emersonella dispilota Hansson, 2002. Memoirs of the American Entomological Institute 67:57-58.
Distribution: Costa Rica.

***dolichogaster* Hansson**

Emersonella dolichogaster Hansson, 2002. Memoirs of the American Entomological Institute 67:40-41. **Distribution:** Costa Rica.

***eora* Hansson**

Emersonella eora Hansson, 2002. Memoirs of the American Entomological Institute 67:69-70.
Distribution: Brazil, Colombia, Costa Rica, Guatemala, Trinidad & Tobago.

***fuscipennis* Girault**

Emersonella fuscipennis Girault, 1920. Proceedings of the United States National Museum, 58:196.
Distribution: Costa Rica (Girault 1920); Honduras, Panama, Peru, Saint Vincent, Trinidad & Tobago (all records Hansson 2002). **Hosts:** parasite in eggs of *Agroiconota bivittata* Say (Coleoptera: Chrysomelidae) (Hansson 2002).

***genaora* Hansson**

Emersonella genaora Hansson, 2002. Memoirs of the American Entomological Institute 67:70-71.
Distribution: Costa Rica, Honduras, Trinidad & Tobago.

***hastata* Hansson**

Emersonella hastata Hansson, 2002. Memoirs of the American Entomological Institute 67:62-63.
Distribution: Costa Rica.

***horismenoides* Hansson**

Emersonella horismenoides Hansson, 2002. Memoirs of the American Entomological Institute 67:73-74. **Distribution:** Costa Rica, Panama. **Hosts:** parasite in eggs of *Cistudinella foveolata* Champion (Coleoptera: Chrysomelidae).

***janzeni* Hansson**

Emersonella janzeni Hansson, 2002. Memoirs of the American Entomological Institute 67:42-43.
Distribution: Costa Rica.

***jimenezi* Hansson**

Emersonella jimenezi Hansson, 2002. Memoirs of the American Entomological Institute 67:58-59.
Distribution: Costa Rica.

***lampros* Hansson**

Emersonella lampros Hansson, 2002. Memoirs of the American Entomological Institute 67:43-44. **Distribution:** Costa Rica.

lecitophaga De Santis

Emersonella lecitophaga De Santis, 1983. Anais da Sociedade Entomológica do Brasil. 12:258. **Distribution:** Argentina (De Santis 1983).

lemae Girault

Emersonella lemae Girault, 1916. Societas Entomologica, 31:36. **Distribution:** Colombia, Costa Rica, Dominican Republic, Honduras, Saint Vincent, Trinidad & Tobago (all records in Hansson 2002), U.S.A. (Girault 1916). **Hosts:** parasite in eggs of *Lema trilineata* Olivier (Coleoptera: Chrysomelidae) (Girault 1916, Chittenden 1924).

mediocarinata Hansson

Emersonella mediocarinata Hansson, 2002. Memoirs of the American Entomological Institute 67:74-75. **Distribution:** Costa Rica.

mediofasciata Hansson

Emersonella mediofasciata Hansson, 2002. Memoirs of the American Entomological Institute 67:60-61. **Distribution:** Costa Rica.

metallica Hansson

Emersonella metallica Hansson, 2002. Memoirs of the American Entomological Institute 67:63. **Distribution:** Costa Rica.

mucronata Hansson

Emersonella mucronata Hansson, 2002. Memoirs of the American Entomological Institute 67:63-64. **Distribution:** Costa Rica, Ecuador.

niveipes Girault

Emersonella niveipes Girault, 1917. Descriptiones Hymenopterorum Chalcidoidicarum Variorum cum Observationibus, III:3-4. **Synonyms:** *Testudicida nigricoxae* De Santis, 1949. Notas del Museo de La Plata, Zoología, 14:164; *Emersonella trimaculata* Azevedo & Silva, 2000. Journal of Hymenoptera Research, 9:299-302. **Distribution:** Argentina (De Santis 1983), Brazil (De Santis 1983, Azevedo *et al.* 2000), Costa Rica (Hansson 2002), Panama (Hansson 2002), Uruguay (De Santis 1983), U.S.A. (Girault 1917), St. Vincent (Hansson 2002), Trinidad (Hansson 2002). **Hosts:** parasite in eggs of *Chelymormpha alternans* Boheman (Hansson 2002), *C. cassidea* (Fabricius) (Girault 1917), *C. indigesta* Boheman (De Santis 1983), *C. variabilis* Boheman (De Santis 1983), *Deloyala guttata* Olivier (Hansson 2002); *Stolas angulata* (Germ.) (De Santis 1983), *S. pictilis* Boheman (Hansson 2002), *S. xanthospila* Champ. (Hansson 2002), *Stolas* sp. (Hansson 2002), *Zatrephina meticulosa* Spaeth on

Ipomoea pescaprae (Convolvulaceae) (Azevedo *et al.* 2000). All hosts are Coleoptera: Chrysomelidae. Azevedo *et al.* (2000) include additional biological information on this species (as *Emersonella trimaculata*): host age influence on percent parasitism and sex ratio, duration of developing stages.

noyesi Hansson

Emersonella noyesi Hansson, 2002. Memoirs of the American Entomological Institute 67:71-72. **Distribution:** Costa Rica.

obscuricrus Hansson

Emersonella obscuricrus Hansson, 2002. Memoirs of the American Entomological Institute 67:46-47. **Distribution:** Costa Rica.

ooecia De Santis

Emersonella ooecia De Santis, 1983. Anais da Sociedade Entomológica do Brasil. 12:254. **Distribution:** Brazil (De Santis 1983). **Hosts:** parasite in eggs of *Gratiana spadicea* (Klug.) (Coleoptera: Chrysomelidae) (De Santis 1983).

palmae Bouček

Emersonella palmae Bouček, 1977. Bulletin of Entomological Research, 67:9-10. **Distribution:** Colombia (Bouček 1977), Costa Rica (Hansson 2002), Trinidad (Hansson 2002). **Hosts:** parasite in eggs of *Hispoleptis subfasciata* Pic, a leaf miner on *Elaeis guineensis* (Palmae) (Bouček 1977), *Oxychalepus balyanus* on *Centrosema pubescens* (Papilionaceae), *Chalepus* sp. on *Lasiacis* sp. (Poaceae), and from *Chalepus horni*. All hosts are Chrysomelidae (Coleoptera).

parva Hansson

Emersonella parva Hansson, 2002. Memoirs of the American Entomological Institute 67:49-50. **Distribution:** Costa Rica, Honduras, Panama.

petiolata Hansson

Emersonella petiolata Hansson, 2002. Memoirs of the American Entomological Institute 67:75. **Distribution:** Costa Rica.

planiceps Hansson

Emersonella planiceps Hansson, 2002. Memoirs of the American Entomological Institute 67:50-51. **Distribution:** Brazil, Costa Rica, Ecuador, Panama, Trinidad & Tobago. **Hosts:** parasite in eggs of *Microctenochira fraterna* Boheman, *M. nigrocincta* (Wagner), *Microctenochira* sp. and *Xenocassis ambita* Champion (Coleoptera: Chrysomelidae).

planiscuta Hansson

Emersonella planiscuta Hansson, 2002. Memoirs of the American Entomological Institute 67:76. **Distribution:** Costa Rica.

***pubipennis* Hansson**

Emersonella pubipennis Hansson, 2002. Memoirs of the American Entomological Institute 67:76-77. **Distribution:** Panama. **Hosts:** parasite in eggs of *Acromis sparsa* (Boheman) (Coleoptera: Chrysomelidae).

***reticulata* Hansson**

Emersonella reticulata Hansson, 2002. Memoirs of the American Entomological Institute 67:77-78. **Distribution:** Panama. **Hosts:** parasite in eggs of *Polychalma multicava* Latreille (Coleoptera: Chrysomelidae).

***rotunda* (Ashmead)**

Derostenus rotundus Ashmead, 1894. Journal of the Linnean Society (Zoology), 25:174. **Distribution:** Colombia, Costa Rica, Dominican Republic, Ecuador, Guatemala, Honduras, Panama, Peru, Trinidad & Tobago (Ashmead 1894). All records except the West Indies are from Hansson (2002). **Hosts:** parasite in eggs of *Agroiconota bivittata* Say, *A. judaica* Fabricius, *Charidotella proxima* (Boheman), *C. sinuata* (Champion), *C. zona* Fabricius, *C. sexpunctata* Fabricius (Coleoptera: Chrysomelidae). All host records are from Hansson (2002).

***rubii* Hansson**

Emersonella rubii Hansson, 2002. Memoirs of the American Entomological Institute 67:78. **Distribution:** Costa Rica.

***saturata* De Santis**

Emersonella saturata De Santis, 1983. Anais da Sociedade Entomológica do Brasil. 12:253. **Distribution:** Argentina (De Santis 1983). **Hosts:** parasite in eggs of an unidentified Cassidinae (Coleoptera: Chrysomelidae) (De Santis 1983).

***setifer* Hansson**

Emersonella setifer Hansson, 2002. Memoirs of the American Entomological Institute 67:52-53. **Distribution:** Costa Rica.

***tanigaster* Hansson**

Emersonella tanigaster Hansson, 2002. Memoirs of the American Entomological Institute 67:53. **Distribution:** Costa Rica, Trinidad & Tobago.

***tapantibius* Hansson**

Emersonella tapantibius Hansson, 2002. Memoirs of the American Entomological Institute 67:79-80. **Distribution:** Costa Rica.

***terebrata* Hansson**

Emersonella terebrata Hansson, 2002. Memoirs of the American Entomological Institute 67:72. **Distribution:** Mexico.

***transversa* Hansson**

Emersonella transversa Hansson, 2002. Memoirs of the American Entomological Institute 67:61-62. **Distribution:** Costa Rica.

***umanai* Hansson**

Emersonella umanai Hansson, 2002. Memoirs of the American Entomological Institute 67:80-81. **Distribution:** Costa Rica.

***varicolor* Hansson**

Emersonella varicolor Hansson, 2002. Memoirs of the American Entomological Institute 67:54. **Distribution:** Costa Rica.

***windsori* Hansson**

Emersonella windsori Hansson, 2002. Memoirs of the American Entomological Institute 67:81. **Distribution:** Peru. **Hosts:** parasite in eggs of *Omaspides augusta* Boheman (Coleoptera: Chrysomelidae).

***zurquensis* Hansson**

Emersonella zurquensis Hansson, 2002. Memoirs of the American Entomological Institute 67:54-55. **Distribution:** Colombia, Costa Rica; Saint Vincent, Trinidad & Tobago.

ENTEDONONECREMNUS* Girault**annellus* Myartseva**

Entedononecremnus annellus Myartseva, 2004. Russian Entomological Journal 13:79. **Distribution:** Mexico. **Hosts:** *Ceraleurodicus altissimus* on *Sapium subiferum*.

***bennetti* Hansson & LaSalle**

Entedononecremnus bennetti Hansson & LaSalle, 2003. Journal of Natural History 37:758. **Distribution:** Brazil, Ecuador, Mexico, Peru, Venezuela, Trinidad & Tobago.

***bimaculatus* Hansson & LaSalle**

Entedononecremnus bimaculatus Hansson & LaSalle, 2003. Journal of Natural History 37:759-761. **Distribution:** Costa Rica, Ecuador, El Salvador, Honduras, Trinidad & Tobago. **Hosts:** *Aleurodicus cocois* (Hemiptera: Aleyrodidae) on guava (*Psidium guajava* - Myrtaceae); unidentified Aleyrodidae on *Baccharis trinervis* (Asteraceae).

***convexus* Hansson & LaSalle**

Entedononecremnus convexus Hansson & LaSalle, 2003. Journal of Natural History 37:761-762. **Distribution:** Colombia, Costa Rica, Trinidad & Tobago. **Hosts:** Aleyrodid (Hemiptera: Aleyrodidae) on sugar apple (*Annona squamosa* - Annonaceae), *Aleurodicus* sp. (Hemiptera: Aleyrodidae), *Orthezia insignis* (Hemiptera:

Ortheziidae). LaSalle & Schauff (1994) had doubts regarding the accuracy of the identification of *Orthezia*, instead a nymph of an unidentified Aleurodicinae (Hemiptera: Aleyrodidae) was suggested as a possible host.

***crassicornis* Hansson & LaSalle**

Entedononecremnus crassicornis Hansson & LaSalle, 2003. Journal of Natural History 37:762-763. **Distribution:** Costa Rica.

***depressus* Hansson & LaSalle**

Entedononecremnus depressus Hansson & LaSalle, 2003. Journal of Natural History 37:763-765. **Distribution:** Costa Rica.

***fulgens* Hansson & LaSalle**

Entedononecremnus fulgens Hansson & LaSalle, 2003. Journal of Natural History 37:765. **Distribution:** Dominican Republic.

***funiculatus* Myartseva**

Entedononecremnus funiculatus Myartseva, 2004. Russian Entomological Journal 13:79. **Distribution:** Mexico. **Hosts:** *Aleurodicus* sp. on *Psidium guajava*.

***guamuchil* Myartseva**

Entedononecremnus guamuchil Myartseva, 2004. Russian Entomological Journal 13:82. **Distribution:** Mexico. **Hosts:** Aleurodicinae on *Pithecellobium* sp.

***hansoni* Hansson & LaSalle**

Entedononecremnus hansoni Hansson & LaSalle, 2003. Journal of Natural History 37:765-767. **Distribution:** Costa Rica, Honduras, Mexico. **Hosts:** *Ceraleurodicus altissimus* (Hemiptera: Aleyrodidae) on *Cassia* sp. (Caesalpiniaceae) and *Inga spuria* (Mimosaceae), unidentified aleyrodid (Hemiptera: Aleyrodidae).

***imdasus* Hansson & LaSalle**

Entedononecremnus imdasus Hansson & LaSalle, 2003. Journal of Natural History 37:767. **Distribution:** Mexico.

***krauteri* Zolnerowich & Rose**

Entedononecremnus krauteri Zolnerowich & Rose, 1996. Proceedings of the Entomological Society of Washington, 98:369. **Distribution:** Costa Rica (Hansson & LaSalle 2003), El Salvador (Hansson & LaSalle 2003), Mexico (Hansson & LaSalle 2003), USA (Texas, Zolnerowich & Rose 1996). **Hosts:** *Aleurodicus dugesii* Cockerell (Hemiptera: Aleyrodidae) on *Hibiscus syriacus* (Malvaceae) (Zolnerowich & Rose 1996); unidentified Aleyrodidae on *Spondias* sp. (Anacardiaceae) (Hansson & LaSalle 2003); unidentified

Aleyrodidae on *Hibiscus rosa* (Hansson & LaSalle 2003).

***parfer* Hansson & LaSalle**

Entedononecremnus parfer Hansson & LaSalle, 2003. Journal of Natural History 37:767-769. **Distribution:** Costa Rica.

***reticulatus* Hansson & LaSalle**

Entedononecremnus reticulatus Hansson & LaSalle, 2003. Journal of Natural History 37:769-770. **Distribution:** Costa Rica.

***tripar* Hansson & LaSalle**

Entedononecremnus tripar Hansson & LaSalle, 2003. Journal of Natural History 37:770-771. **Distribution:** Colombia, Costa Rica.

***unicarinatus* Hansson & LaSalle**

Entedononecremnus uncarinatus Hansson & LaSalle, 2003. Journal of Natural History 37:771-773. **Distribution:** Brazil.

***unicus* Girault**

Entedononecremnus unicus Girault, 1915. Annals of the Entomological Society of America, 8:278. **Distribution:** Guyana (Girault 1915). **Hosts:** *Eudialeurodicus bodkini* (Hemiptera: Aleyrodidae) (LaSalle & Schauff 1994).

***EPRHOPALOTUS* Girault**

***canaliculatus* Hansson**

Eprhopalotus canaliculatus Hansson, 2004. Memoirs of the American Entomological Institute 75:140. **Distribution:** Costa Rica.

***cordylatus* Hansson**

Eprhopalotus cordylatus Hansson, 2004. Memoirs of the American Entomological Institute 75:140-141. **Distribution:** Mexico.

***crinitus* Hansson**

Eprhopalotus crinitus Hansson, 2004. Memoirs of the American Entomological Institute 75:141-142. **Distribution:** Mexico.

***hansoni* (Schauff)**

Aabacharis hansoni Schauff, 1991. Contributions of the American Entomological Institute, 26:32. **Distribution:** Costa Rica (Schauff 1991), USA (Texas) (Schauff 1991), Dominican Republic (Hansson 2004).

***EUDEROMPHALE* Girault**

***chapultepec* Myartseva**

Euderomphale chapultepec Myartseva, 2003. Russian Entomological Journal 12:382. **Distribution:** Mexico. **Hosts:** *Aleyrodes* sp.

***flavimedia* (Howard)**

Gyrolasia flavimedia Howard, 1881. Annual Report of the Commissioner of Agriculture for the year 1880, p. 369. **Synonyms:** *Euderomphale fuscipennis* Girault, 1916. Canadian Entomologist, 48:410. **Distribution:** Costa Rica (Hansson & LaSalle 2003), Cuba (Morin 1985), U.S.A. (Howard 1881), Jamaica (Mercet 1912). **Hosts:** *Aleyrodes* spp. (Hemiptera: Aleyrodinae) (Hansson & LaSalle 2003).

***mexicana* Myartseva**

Euderomphale mexicana Myartseva, 2003. Russian Entomological Journal 12:382. **Distribution:** Mexico. **Hosts:** *Aleurothrixus floccosus*.

***sulciscapus* Hansson & LaSalle**

Euderomphale sulciscapus Hansson & LaSalle, 2003. Journal of Natural History 37:703-704. **Distribution:** Chile.

GOETHEANA Girault***shakespearei* Girault**

Goetheana shakespearei Girault, 1920. Insector Inscitiae Menstruus 8:97. **Synonyms:** *Dasyscapus parvipennis* Gahan, 1927. Proceedings of the United States National Museum, 71:27, 28; *Dasyscapus thripsivorus* Narayanan, Subba Rao & Ramachandra Rao, 1960. Proceedings of the National Institute of Sciences of India B26:224. **Distribution:** Originally from Austral-Asian region, introduced to other parts, Neotropical distribution: Barbados (De Santis & Fidalgo 1991), Brazil (De Santis & Fidalgo 1991), Dominican Republic (Trjapitsyn 2005), Jamaica (De Santis 1979), Puerto Rico (De Santis 1979), Trinidad & Tobago (Trjapitsyn 2005), Venezuela (De Santis 1979). **Hosts:** various Thripidae (Thysanoptera) (Trjapitsyn 2005).

GRASSATOR De Santis***viator* De Santis**

Grassator viator De Santis, 1948. Notas del Museo de La Plata 13:133. **Distribution:** Argentina (De Santis 1948). **Hosts:** *Naupactus xanthographus* Germ. (Coleoptera: Curculionidae) (De Santis 1948).

HORISMENUS Walker***abagus* Hansson**

Horismenus abagus Hansson, 2009. Memoirs of the American Entomological Institute 82:72-73. **Distribution:** Costa Rica, Dominican Republic, El Salvador, Saint Vincent, Trinidad & Tobago.

***absens* Hansson**

Horismenus absens Hansson, 2009. Memoirs of the American Entomological Institute 82:73-74. **Distribution:** Colombia, Costa Rica.

***abus* Hansson**

Horismenus claviseta Hansson, 2009. *Memoirs of the American Entomological Institute* 82:355. **Distribution:** Costa Rica.

cleodora (Walker)

Entedon cleodora Walker, 1843. *Annals and Magazine of Natural History*, 11:117. **Distribution:** Peru.

clubus Hansson

Horismenus clubus Hansson, 2009. *Memoirs of the American Entomological Institute* 82:155-156. **Distribution:** Colombia.

cobus Hansson

Horismenus cobus Hansson, 2009. *Memoirs of the American Entomological Institute* 82:356. **Distribution:** Costa Rica.

cockerelli Crawford

Horismenus cockerelli Crawford, 1911. *Proceedings of the United States National Museum*, 40:447. **Distribution:** Jamaica (Crawford 1911). **Hosts:** *Apanteles* (s.l.) sp. (Hymenoptera: Braconidae) (Crawford 1911).

cocoensis Hansson

Horismenus cocoensis Hansson, 2009. *Memoirs of the American Entomological Institute* 82:157. **Distribution:** Costa Rica.

coelomerae Hansson

Horismenus coelomerae Hansson, 2009. *Memoirs of the American Entomological Institute* 82:157-158. **Distribution:** Colombia, Costa Rica. **Hosts:** from eggs of *Coelomera* sp., *C. cayennensis*, *C. godmani* (Coleoptera: Chrysomelidae) on *Cecropia* sp. and *C. obtusifolia* (Cecropiaceae); from eggs of an unidentified Galerucinae (Coleoptera: Chrysomelidae) on *Cecropia insignis*.

cohnorum Hansson

Horismenus cohnorum Hansson, 2009. *Memoirs of the American Entomological Institute* 82:158-159. **Distribution:** Costa Rica. **Hosts:** *Apanteles* sp. on *Anteotricha* sp. (Lepidoptera: Elachistidae) on *Vismia baccifera* (Clusiaceae).

colurus Hansson

Horismenus colurus Hansson, 2009. *Memoirs of the American Entomological Institute* 82:159-160. **Distribution:** Costa Rica, the West Indies.

compsus Hansson

Horismenus compsus Hansson, 2009. Memoirs of the American Entomological Institute 82:160. **Distribution:** Costa Rica.

***convexus* Hansson**

Horismenus convexus Hansson, 2009. Memoirs of the American Entomological Institute 82:161. **Distribution:** Costa Rica.

***copalensis* Hansson**

Horismenus copalensis Hansson, 2009. Memoirs of the American Entomological Institute 82:161-162. **Distribution:** Costa Rica.

***corbus* Hansson**

Horismenus corbus Hansson, 2009. Memoirs of the American Entomological Institute 82:162-163. **Distribution:** Ecuador, Peru, Trinidad & Tobago.

***cordylipher* Hansson**

Horismenus cordylipher Hansson, 2009. Memoirs of the American Entomological Institute 82:163. **Distribution:** Costa Rica.

***corumbae* Ashmead**

Horismenus corumbae Ashmead, 1904. Memoirs of the Carnegie Museum, 1(4):508. **Distribution:** Brazil (Ashmead 1904).

***coruscus* Hansson**

Horismenus coruscus Hansson, 2009. Memoirs of the American Entomological Institute 82:164. **Distribution:** Costa Rica.

***corynatus* Hansson**

Horismenus corynatus Hansson, 2009. Memoirs of the American Entomological Institute 82:164-165. **Distribution:** Costa Rica.

***corynipher* Hansson**

Horismenus corynipher Hansson, 2009. Memoirs of the American Entomological Institute 82:165-166. **Distribution:** Costa Rica.

***crassicornis* Hansson**

Horismenus crassicornis Hansson, 2009. Memoirs of the American Entomological Institute 82:166-167. **Distribution:** Costa Rica.

***crassus* Hansson**

Horismenus crassus Hansson, 2009. Memoirs of the American Entomological Institute 82:167-168. **Distribution:** Brazil, Paraguay. **Hosts:** from an ichneumonid

cocoon from larva of *Alabama* sp. on *Gossypium hirsutum* (Malvaceae); *Alabama argillacea* (Lepidoptera: Noctuidae).

***crinitus* Hansson**

Horismenus crinitus Hansson, 2009. Memoirs of the American Entomological Institute 82:356-357. **Distribution:** Costa Rica.

***culmatus* Hansson**

Horismenus culmatus Hansson, 2009. Memoirs of the American Entomological Institute 82:357-358. **Distribution:** Belize, Costa Rica.

***cumulus* Hansson**

Horismenus cumulus Hansson, 2009. Memoirs of the American Entomological Institute 82:168. **Distribution:** Costa Rica.

***cupreus* (Ashmead)**

Holcopelte cupreus Ashmead, 1894. Journal of the Linnean Society (Zoology), 25:171-172. **Distribution:** Argentina, Brazil, Costa Rica, Dominican Republic, Guadeloupe, Grenada (Howard 1897, Ashmead 1900), Guatemala, Mexico, Panama, Peru, Saint Vincent (Ashmead 1894), Trinidad & Tobago, USA (all records except Grenada are from Hansson 2009). **Hosts:** *Brachys querci* (Coleoptera: Buprestidae), *Brachys* sp. on *Bactris* sp. (Arecaceae), *Cecropia* sp. (Cecropiaceae), *Cecropia insignis*, *Genipa* sp. (Rubiaceae), *Inga* sp. (Fabaceae), *Lonchocarpus* sp. (Fabaceae), *Callimicra* sp. (Coleoptera: Buprestidae) on *Cecropia* sp., *Hylaogena* sp. (Coleoptera: Buprestidae) on unidentified Bignoniaceae, *Lius* sp. (Coleoptera: Buprestidae) on *Conostegia oerstediana* (Melastomataceae), on "common myrtle", *Pachyschelus* sp. (Coleoptera: Buprestidae) on *Cecropia* sp., *Curatella* sp. (Dilleniaceae), *Dalechampia* sp. (Euphorbiaceae), *Ficus* sp. (Moraceae), *Inga* sp., *Luehea* sp. (Tiliaceae), *Pithecellobium* sp. (Fabaceae), "big leaf willow", "common myrtle", "nettle", *Taphrocerus* sp. (Coleoptera: Buprestidae) on *Bactris* sp., *Maximiliana* sp. (Arecaceae), "palm", *Tachygonus* sp. (Coleoptera: Curculionidae) on *Cecropia insignis* and *C. obtusifolia*, *Lonchocarpus costaricensis* (Fabaceae), *Quercus ilicifolia* (Fagaceae), on tree with *Psiloptera* sp. (Coleoptera: Buprestidae); *Japanagromyza inferna*, *Liriomyza commelinae* and *L. marginalis* (Diptera: Agromyzidae);

Tischeria sp. (Lepidoptera: Tischeriidae) on *Cecropia insignis*, microlepidoptera indet.; eggs of *Metepetra* sp. (Arachnida: Araneidae), spider eggs on *Baccharis* sp. (Asteraceae) (all records are from Hansson (2009)). *Horismenus cupreus* is a species that primarily attacks leaf-miners, or perhaps their primary parasitoids.

***cuspidis* Hansson**

Horismenus cuspidis Hansson, 2009. Memoirs of the American Entomological Institute 82:395. **Distribution:** Costa Rica.

***cyaneoviridis* Girault**

Horismenus cyaneoviridis Girault, 1911. Zoologische Jahrbucher, Abteilung für Systematik, 31:402. **Distribution:** Brazil (Hansson 2009), Costa Rica (Hansson 2009), Paraguay (Girault 1911), Trinidad & Tobago (Hansson 2009). **Hosts:** from pupa of *Chrysopa* sp. (Neuroptera: Chrysopidae) (Hansson 2009).

***depressus* Gahan**

Horismenus depressus Gahan, 1930. Proceedings of the United States National Museum, 77(8):8. **Distribution:** Costa Rica (Hansson 2009), Honduras (Hansson 2009), Mexico (De Santis 1989, Hansson & Aebi 2004), U.S.A. (California, Gahan 1930; Texas, Burks 1971). **Hosts:** *Acanthoscelides* sp. on *Phaseolus* spp. (Hansson & Aebi 2004), *A. obtectus* (Say) (De Santis 1989), "*Bruchus* sp." in *Acacia* seeds (Burks 1971), *Stator pruininus* (Horn) from seeds of *Acacia* and *Olneya* (Gahan 1930). All hosts are Bruchidae (Coleoptera).

***dibolus* Hansson**

Horismenus dibolus Hansson, 2009. Memoirs of the American Entomological Institute 82:172-173. **Distribution:** Mexico. **Hosts:** *Brachys* sp. (Coleoptera: Buprestidae) on *Inga* sp. (Mimosaceae), possibly a hyperparasitoid.

***dichrous* Hansson**

Horismenus dichrous Hansson, 2009. Memoirs of the American Entomological Institute 82:358-359. **Distribution:** Costa Rica.

***dinus* Hansson**

Horismenus dinus Hansson, 2009. Memoirs of the American Entomological Institute 82:173-174. **Distribution:** Costa Rica.

***discus* Hansson**

Horismenus discus Hansson, 2009. Memoirs of the American Entomological Institute 82:174-175. **Distribution:** Costa Rica.

***distinguendus* Blanchard**

Horismenus distinguendus Blanchard, 1936. Revista de la Sociedad Entomologica Argentina, 8:24. **Distribution:** Argentina (Blanchard 1936), Brazil (De Santis 1980). **Hosts:** Bruchidae indet. (Coleoptera), *Parapechthis bazani* Blanchard (Hymenoptera: Braconidae) on *Alabama argillacea* Hbn (Lepidoptera: Noctuidae) (Blanchard 1936); from a pupa of *Eurema* sp. (Lepidoptera: Pieridae) (Hansson 2009); from a pupa of *Euselasia* sp. (Lepidoptera: Riodinidae) (Hansson 2009); from diptera pupa, probably *Parthenoleskia parkeri* (Diptera: Tachinidae) (Hansson 2009). Records from *Eurema* and *Euselasia* possibly through a primary parasitoid.

***dolichogaster* Hansson**

Horismenus dolichogaster Hansson, 2009. Memoirs of the American Entomological Institute 82:176. **Distribution:** Costa Rica.

***dolichopygus* Hansson**

Horismenus dolichopygus Hansson, 2009. Memoirs of the American Entomological Institute 82:176-177. **Distribution:** Costa Rica.

***dolichurus* Hansson**

Horismenus dolichurus Hansson, 2009. Memoirs of the American Entomological Institute 82:177-178. **Distribution:** Costa Rica. **Hosts:** from an unidentified gall-maker on Cyclantaceae.

***doratus* Hansson**

Horismenus doratus Hansson, 2009. Memoirs of the American Entomological Institute 82:359-361. **Distribution:** Costa Rica, Panama. **Hosts:** from egg sack of *Senoculus* sp. (Araneae: Senoculidae).

***dorypher* Hansson**

Horismenus dorypher Hansson, 2009. Memoirs of the American Entomological Institute 82:178-179. **Distribution:** Argentina, Brazil, Costa Rica, Guatemala, Panama, Trinidad & Tobago. **Hosts:** *Hylaeogena* sp. (Coleoptera: Buprestidae) on *Phryganocydia* sp. (Bignoniaceae) and with same host on an unidentified hairy Bignoniaceae; from *Phyllonorycter* sp.

(Lepidoptera: Gracillariidae) on
Lonchocarpus rugosus (Fabaceae).

***dryas* Hansson**

Horismenus dryas Hansson, 2009.
Memoirs of the American Entomological
Institute 82:179-180. **Distribution:** Costa
Rica.

***dulcis* Hansson**

Horismenus dulcis Hansson, 2009.
Memoirs of the American Entomological
Institute 82:180-181. **Distribution:** Costa
Rica, Ecuador, Peru. **Hosts:** *Spaethiella* sp.
(Coleoptera: Chrysomelidae) on *Elaeis*
guineensis (Arecaceae).

***eburneus* Hansson**

Horismenus eburneus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:181. **Distribution:** Costa
Rica.

***elachurus* Hansson**

Horismenus elachurus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:181-182. **Distribution:** Costa
Rica.

***elanus* Hansson**

Horismenus elanus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:182-183. **Distribution:** Costa
Rica. **Hosts:** *Scolytodes* sp. (Coleoptera:
Scolytidae) on *Cecropia peltata*
(Cecropiaceae).

***elineatus* Schauff**

Horismenus elineatus Schauff, 1989.
Proceedings of the Entomological Society
of Washington, 91:536. **Distribution:**
Bolivia (Schauff 1989), Brazil (Hansson
2009), Ecuador (Hansson 2009). **Hosts:**
primary gregarious endoparasitoid of the
last three larval instars of *Elasmopalpus*
lignosellus (Zeller) (Lepidoptera:
Pyrilidae) (Schauff 1989).

***elongatus* Hansson**

Horismenus elongatus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:184. **Distribution:** Costa
Rica.

***emperamus* (Walker)**

Entedon emperamus Walker, 1839.
Monographia Chalciditum p. 70.
Distribution: Brazil (Walker 1839).

***eneus* Hansson**

Horismenus eneus Hansson, 2009.
Memoirs of the American Entomological

Institute 82:395-396. **Distribution:** Costa
Rica.

***epiurus* Hansson**

Horismenus epiurus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:185-186. **Distribution:** Costa
Rica.

***erasmus* Hansson**

Horismenus erasmus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:186-187. **Distribution:**
Ecuador. **Hosts:** unidentified Bruchidae
(Coleoptera) on *Phaseolus* sp. (Fabaceae).

***eratus* Hansson**

Horismenus eratus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:187-188. **Distribution:** Costa
Rica.

***erebus* Hansson**

Horismenus erebus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:188. **Distribution:** Colombia.

***eremnus* Hansson**

Horismenus eremnus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:188-189. **Distribution:** Costa
Rica.

***eridanus* Hansson**

Horismenus eridanus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:189-190. **Distribution:** Costa
Rica.

***esulcus* Hansson**

Horismenus esulcus Hansson, 2009.
Memoirs of the American Entomological
Institute 82:361-362. **Distribution:** Costa
Rica.

***eumantis* Hansson**

Horismenus eumantis Hansson, 2009.
Memoirs of the American Entomological
Institute 82:190-191. **Distribution:** Costa
Rica, Ecuador, Panama, Peru, Trinidad &
Tobago. **Hosts:** *Pachyschelus* sp.
(Coleoptera: Buprestidae) on *Inga* sp.
(Fabaceae) (smooth leaf liana).

***eurys* Hansson**

Horismenus eurys Hansson, 2009.
Memoirs of the American Entomological
Institute 82:362-363. **Distribution:** Brazil,
Ecuador, Peru, Trinidad & Tobago.

***euscopus* Hansson**

Horismenus euscopus Hansson, 2009. Memoirs of the American Entomological Institute 82:191-192. **Distribution:** Costa Rica.

***fagus* Hansson**

Horismenus fagus Hansson, 2009. Memoirs of the American Entomological Institute 82:192. **Distribution:** Costa Rica.

***findus* Hansson**

Horismenus findus Hansson, 2009. Memoirs of the American Entomological Institute 82:193. **Distribution:** Costa Rica.

***floresae* Hansson**

Horismenus floresae Hansson, 2009. Memoirs of the American Entomological Institute 82:363-364. **Distribution:** Costa Rica.

***floridanus* (Ashmead)**

Holcopelte floridanus Ashmead, 1888. Canadian Entomologist, 20:102. **Distribution:** Costa Rica (Hansson 2009), U.S.A. (Florida) (Ashmead 1888). **Hosts:** *Apanteles* sp. (Hymenoptera: Braconidae) (Burks 1979); *Ceratonia catalpae* (Lepidoptera: Sphingidae) (Herting 1977). In view of the first record the second record is possibly also from a braconid parasitoid living in the host.

***floridensis* (Schauff & Bouček)**

Alachua floridensis Schauff & Bouček, 1987. Proceedings of the Entomological Society of Washington, 89:661. **Distribution:** Belize (Hansson 2009), Costa Rica (Schauff 1991), U.S.A. (Florida, Schauff & Bouček 1987). **Hosts:** gregarious endoparasitoid in the pupae of *Camponotus abdominalis* Fabricius (Hymenoptera: Formicidae) (Schauff & Bouček 1987).

***foveatus* Hansson**

Horismenus foveatus Hansson, 2009. Memoirs of the American Entomological Institute 82:403-404. **Distribution:** Costa Rica.

***frurus* Hansson**

Horismenus frurus Hansson, 2009. Memoirs of the American Entomological Institute 82:195-196. **Distribution:** Costa Rica.

***fuertus* Hansson**

Horismenus fuertus Hansson, 2009. Memoirs of the American Entomological Institute 82:364. **Distribution:** Belize.

***fulgens* Hansson**

Horismenus fulgens Hansson, 2009. Memoirs of the American Entomological Institute 82:196-197. **Distribution:** Costa Rica.

***fulgidus* Hansson**

Horismenus fulgidus Hansson, 2009. Memoirs of the American Entomological Institute 82:197. **Distribution:** Costa Rica.

***fulmarus* Hansson**

Horismenus fulmarus Hansson, 2009. Memoirs of the American Entomological Institute 82:197-198. **Distribution:** Costa Rica.

***fulvicoxa* Hansson**

Horismenus fulvicoxa Hansson, 2009. Memoirs of the American Entomological Institute 82:364-365. **Distribution:** Costa Rica.

***fustigatus* Hansson**

Horismenus fustigatus Hansson, 2009. Memoirs of the American Entomological Institute 82:198-199. **Distribution:** Costa Rica.

***galactotes* Hansson**

Horismenus galactotes Hansson, 2009. Memoirs of the American Entomological Institute 82:199-201. **Distribution:** Costa Rica.

***galenus* Hansson**

Horismenus galenus Hansson, 2009. Memoirs of the American Entomological Institute 82:201. **Distribution:** Peru.

***gandus* Hansson**

Horismenus gandus Hansson, 2009. Memoirs of the American Entomological Institute 82:365-366. **Distribution:** Costa Rica, French Guyana.

***gigojos* Hansson**

Horismenus gigojos Hansson, 2009. Memoirs of the American Entomological Institute 82:201-202. **Distribution:** Costa Rica.

***glaucus* Hansson**

Horismenus glaucus Hansson, 2009. Memoirs of the American Entomological

Institute 82:202-203. **Distribution:** Costa Rica.

globus Hansson

Horismenus globus Hansson, 2009. Memoirs of the American Entomological Institute 82:203. **Distribution:** Costa Rica.

glomeris Hansson

Horismenus glomeris Hansson, 2009. Memoirs of the American Entomological Institute 82:204. **Distribution:** Costa Rica.

glyphus Hansson

Horismenus glyphus Hansson, 2009. Memoirs of the American Entomological Institute 82:204-205. **Distribution:** Costa Rica, Panama. **Hosts:** *Brachys* sp. (Coleoptera: Buprestidae) on *Scheelea* sp. (Arecaceae).

gomezi Hansson

Horismenus gomezi Hansson, 2009. Memoirs of the American Entomological Institute 82:205-206. **Distribution:** Costa Rica.

gongylus Hansson

Horismenus gongylus Hansson, 2009. Memoirs of the American Entomological Institute 82:206-207. **Distribution:** Costa Rica.

graciliventris (Girault)

Pseudomphale graciliventris Girault, 1916. Entomological News, 27:224. **Distribution:** Trinidad & Tobago (Girault 1916). **Hosts:** from eggs of an unidentified cassidine beetle (Coleoptera: Chrysomelidae) (Girault 1916).

griffus Hansson

Horismenus griffus Hansson, 2009. Memoirs of the American Entomological Institute 82:208. **Distribution:** Costa Rica.

guanacastensis Hansson

Horismenus guanacastensis Hansson, 2009. Memoirs of the American Entomological Institute 82:208-209. **Distribution:** Costa Rica.

gutierrez Hansson

Horismenus gutierrez Hansson, 2009. Memoirs of the American Entomological Institute 82:366-367. **Distribution:** Costa Rica.

gyrus Hansson

Horismenus gyrus Hansson, 2009. Memoirs of the American Entomological Institute 82:209-210. **Distribution:** Costa Rica.

hadroglene Hansson

Horismenus hadroglene Hansson, 2009. Memoirs of the American Entomological Institute 82:210. **Distribution:** Costa Rica.

hadromma Hansson

Horismenus hadromma Hansson, 2009. Memoirs of the American Entomological Institute 82:210-211. **Distribution:** Costa Rica.

hadrops Hansson

Horismenus hadrops Hansson, 2009. Memoirs of the American Entomological Institute 82:211-212. **Distribution:** Costa Rica.

hansoni Hansson

Horismenus hansoni Hansson, 2009. Memoirs of the American Entomological Institute 82:212. **Distribution:** Costa Rica.

hastatus Hansson

Horismenus hastatus Hansson, 2009. Memoirs of the American Entomological Institute 82:213. **Distribution:** Costa Rica.

hegelochus (Walker)

Entedon hegelochus Walker, 1839. Monographia Chalciditum p. 70. **Distribution:** Brazil (Walker 1839).

hesperifilus Hansson

Horismenus hesperifilus Hansson, 2009. Memoirs of the American Entomological Institute 82:214-215. **Distribution:** Guyana. **Hosts:** from a pupa probably belonging to the skipper genus *Perichares* (Lepidoptera: Hesperidae), possibly a hyperparasitoid.

heterothrix Hansson

Horismenus heterothrix Hansson, 2009. Memoirs of the American Entomological Institute 82:404-405. **Distribution:** Costa Rica.

hiatus Hansson

Horismenus hiatus Hansson, 2009. Memoirs of the American Entomological Institute 82:215. **Distribution:** Costa Rica.

hipparchius (Cameron)

Akonda hipparchia Cameron, 1913. Timehri, Guyana (3), 3:131. **Distribution:**

Guyana (Cameron 1913). **Hosts:** *Phobetron hipparchia* (Lepidoptera: Limacodidae) (Cameron 1913).

***hirsutus* (Gumovsky & Bouček)**

Podkova hirsuta Gumovsky & Bouček, 2003. Neotropical Entomology, 32:446. **Distribution:** Brazil (Gumovsky & Bouček 2003).

***hitoyensis* Hansson**

Horismenus hitoyensis Hansson, 2009. Memoirs of the American Entomological Institute 82:367. **Distribution:** Costa Rica.

***huggerti* Hansson**

Horismenus huggerti Hansson, 2009. Memoirs of the American Entomological Institute 82:396-397. **Distribution:** Costa Rica, Peru.

***hylaeus* Hansson**

Horismenus hylaeus Hansson, 2009. Memoirs of the American Entomological Institute 82:216-217. **Distribution:** Brazil. **Hosts:** *Hylaeogena* sp. (Coleoptera: Buprestidae).

***hylobius* Hansson**

Horismenus hylobius Hansson, 2009. Memoirs of the American Entomological Institute 82:217-218. **Distribution:** Costa Rica.

***hypatia* (Girault)**

Pseudomphale hypatia Girault, 1915. Canadian Entomologist, 47:218. **Distribution:** Chile (Girault 1915). **Hosts:** *Ceroplastes novaesi* (Hemiptera: Coccidae) (Girault 1915).

***iangauldi* Hansson**

Horismenus iangauldi Hansson, 2009. Memoirs of the American Entomological Institute 82:219. **Distribution:** Costa Rica. **Hosts:** *Hyposoter* sp. (Hymenoptera: Ichneumonidae) on *Epargyreus* sp. (Lepidoptera: Hesperiiidae) on *Gliricidia sepium* (Fabaceae).

***ignotus* Burks**

Horismenus ignotus Burks, 1971. Proceedings of the Entomological Society of Washington, 73:76. **Distribution:** U.S.A. (Florida) (Burks 1971). **Hosts:** *Homaledra sabalella* (Chambers) (Lepidoptera: Coleophoridae) on *Thrinax* sp. (Arecaceae) (Burks 1971).

***ilius* Hansson**

Horismenus ilius Hansson, 2009. Memoirs of the American Entomological Institute 82:220-221. **Distribution:** Brazil. **Hosts:** *Taphrocerus* spp. (Coleoptera: Buprestidae) on *Cyperus* sp. (Cyperaceae), *Scleria* sp. (Cyperaceae) and *Vicia faba* (Fabaceae).

***indus* Hansson**

Horismenus indus Hansson, 2009. Memoirs of the American Entomological Institute 82:221-222. **Distribution:** Costa Rica.

***inflatus* Hansson**

Horismenus inflatus Hansson, 2009. Memoirs of the American Entomological Institute 82:222-223. **Distribution:** Brazil, Costa Rica. **Hosts:** leafminers: *Brachys nr emperatrix* (Coleoptera: Buprestidae), *Brachys* sp. on *Gouania polygama* (Rhamnaceae), unidentified Buprestidae leafminer, *Tischeria* sp. (Lepidoptera: Tischeriidae) and Lepidoptera indet., all on *Cecropia insignis* (Cecropiaceae); Lepidoptera leafminer on an unidentified Melastomataceae; Lepidoptera leafminer on *Piper* sp. (Piperaceae); unidentified Chrysomelidae (Coleoptera) on *Aristolochia* leaf (Aristolochiaceae).

***ioides* Hansson**

Horismenus ioides Hansson, 2009. Memoirs of the American Entomological Institute 82:223. **Distribution:** Costa Rica.

***iorus* Hansson**

Horismenus iorus Hansson, 2009. Memoirs of the American Entomological Institute 82:224-225. **Distribution:** Costa Rica. **Hosts:** *Meteorus* sp. (Hymenoptera: Braconidae).

***iquitus* Hansson**

Horismenus iquitus Hansson, 2009. Memoirs of the American Entomological Institute 82:225. **Distribution:** Peru.

***jimenezi* Hansson**

Horismenus jimenezi Hansson, 2009. Memoirs of the American Entomological Institute 82:226-227. **Distribution:** Costa Rica.

***lacticoxa* Hansson**

Horismenus lacticoxa Hansson, 2009. Memoirs of the American Entomological Institute 82:367-368. **Distribution:** Costa Rica.

***lanceatus* Hansson**

Horismenus lanceatus Hansson, 2009. Memoirs of the American Entomological Institute 82:227. **Distribution:** Costa Rica.

***lanius* Hansson**

Horismenus lanius Hansson, 2009. Memoirs of the American Entomological Institute 82:228. **Distribution:** Costa Rica, Guadeloupe. **Hosts:** from flower of *Vernonia albicaulis* (Asteraceae) with gall-midges (Diptera: Cecidomyiidae).

***lapierrei* Hansson**

Horismenus lapierrei Hansson, 2009. Memoirs of the American Entomological Institute 82:228-229. **Distribution:** Costa Rica. **Hosts:** *Pachyschelus* sp. (Coleoptera: Buprestidae) on *Cecropia insignis* (Cecropiaceae).

***laselvae* Hansson**

Horismenus laselvae Hansson, 2009. Memoirs of the American Entomological Institute 82:229-230. **Distribution:** Costa Rica.

***leius* Hansson**

Horismenus leius Hansson, 2009. Memoirs of the American Entomological Institute 82:397-399. **Distribution:** Costa Rica, Ecuador, Honduras.

***leucopterae* Hansson**

Horismenus leucopterae Hansson, 2009. Memoirs of the American Entomological Institute 82:231. **Distribution:** Jamaica. **Hosts:** from larvae of *Leucoptera coffeella* (Lepidoptera: Lyonetiidae), a leafminer on coffee (*Coffea* sp.) (Rubiaceae).

***leurus* Hansson**

Horismenus leurus Hansson, 2009. Memoirs of the American Entomological Institute 82:231-232. **Distribution:** Costa Rica.

***levifrons* Hansson**

Horismenus levifrons Hansson, 2009. Memoirs of the American Entomological Institute 82:232-233. **Distribution:** Costa Rica.

***levis* Hansson**

Horismenus levis Hansson, 2009. Memoirs of the American Entomological Institute 82:233-234. **Distribution:** Costa Rica.

***limosus* Hansson**

Horismenus limosus Hansson, 2009. Memoirs of the American Entomological Institute 82:369. **Distribution:** Costa Rica.

***linus* Hansson**

Horismenus linus Hansson, 2009. Memoirs of the American Entomological Institute 82:234-235. **Distribution:** Costa Rica.

***lius* Hansson**

Horismenus lius Hansson, 2009. Memoirs of the American Entomological Institute 82:235. **Distribution:** Brazil. **Hosts:** *Lius* sp. (Coleoptera: Buprestidae).

***livens* Hansson**

Horismenus livens Hansson, 2009. Memoirs of the American Entomological Institute 82:236. **Distribution:** Costa Rica.

***lividus* Hansson**

Horismenus lividus Hansson, 2009. Memoirs of the American Entomological Institute 82:236-237. **Distribution:** Costa Rica.

***lonchurus* Hansson**

Horismenus lonchurus Hansson, 2009. Memoirs of the American Entomological Institute 82:238. **Distribution:** Costa Rica.

***longicalcar* Hansson**

Horismenus longicalcar Hansson, 2009. Memoirs of the American Entomological Institute 82:238-239. **Distribution:** Costa Rica.

***longicaudus* Hansson**

Horismenus longicaudus Hansson, 2009. Memoirs of the American Entomological Institute 82:239-240. **Distribution:** Costa Rica, Guadeloupe.

***longicaulis* Hansson**

Horismenus longicaulis Hansson, 2009. Memoirs of the American Entomological Institute 82:240-241. **Distribution:** Costa Rica.

***longiclava* Hansson**

Horismenus longiclava Hansson, 2009. Memoirs of the American Entomological Institute 82:369-370. **Distribution:** Costa Rica.

***longicornis* Hansson**

Horismenus longicornis Hansson, 2009. Memoirs of the American Entomological Institute 82:411-412. **Distribution:** Costa Rica.

longigaster Hansson

Horismenus longigaster Hansson, 2009. Memoirs of the American Entomological Institute 82:241. **Distribution:** Costa Rica.

lydius Hansson

Horismenus lydius Hansson, 2009. Memoirs of the American Entomological Institute 82:242. **Distribution:** Costa Rica.

macrocerus Hansson

Horismenus macrocerus Hansson, 2009. Memoirs of the American Entomological Institute 82:243. **Distribution:** Costa Rica. **Hosts:** from an egg cocoon of an unidentified araneid spider (Araneidae).

macrogaster Girault

Horismenus macrogaster Girault, 1912. Archiv fur Naturgeschichte (A), 78(9):175. **Distribution:** Paraguay (Girault 1912).

macropygus Hansson

Horismenus macropygus Hansson, 2009. Memoirs of the American Entomological Institute 82:244-245. **Distribution:** Costa Rica.

macrurus Hansson

Horismenus macrurus Hansson, 2009. Memoirs of the American Entomological Institute 82:245-246. **Distribution:** Costa Rica.

magniclavus Hansson

Horismenus magniclavus Hansson, 2009. Memoirs of the American Entomological Institute 82:246-247. **Distribution:** Costa Rica.

malus Hansson

Horismenus malus Hansson, 2009. Memoirs of the American Entomological Institute 82:247. **Distribution:** Costa Rica, Dominican Republic, El Salvador, Saint Vincent, Trinidad & Tobago. **Hosts:**

mantis Hansson

Horismenus mantis Hansson, 2009. Memoirs of the American Entomological Institute 82:248. **Distribution:** Costa Rica.

mazus Hansson

Horismenus mazus Hansson, 2009. Memoirs of the American Entomological Institute 82:248-249. **Distribution:** Costa Rica.

megalomma Hansson

Horismenus megalomma Hansson, 2009. Memoirs of the American Entomological Institute 82:249-250. **Distribution:** Costa Rica.

megalops Hansson

Horismenus megalops Hansson, 2009. Memoirs of the American Entomological Institute 82:250-251. **Distribution:** Costa Rica, El Salvador, Honduras.

megascapus Hansson

Horismenus megascapus Hansson, 2009. Memoirs of the American Entomological Institute 82:251-252. **Distribution:** Panama. **Hosts:** from eggs of *Aphantochilus rogersi* (Araneae: Thomisidae).

metallicus (Ashmead)

Holcopelte metallicus Ashmead, 1894. Journal of the Linnean Society (Zoology), 25:170-171. **Distribution:** Grenada (Howard 1987, Ashmead 1900), Saint Vincent (Ashmead 1894a).

mexicanus (Burks)

Psephenivorus mexicanus Burks, 1968. Annals of the Entomological Society of America, 61(2):451. **Distribution:** Costa Rica (Hansson 2009), Mexico (Burks 1968), Trinidad & Tobago (Hansson 2009). **Hosts:** from prepupae of *Psephenus texanus* Brown & Arrington (Coleoptera: Psephenidae) (Burks 1968).

micans Hansson

Horismenus micans Hansson, 2009. Memoirs of the American Entomological Institute 82:253-254. **Distribution:** Colombia, Costa Rica.

micrurus Hansson

Horismenus micrurus Hansson, 2009. Memoirs of the American Entomological Institute 82:255-256. **Distribution:** Costa Rica. **Hosts:** from an unidentified Prionomerinae (Coleoptera: Cerambycidae) on *Sacoglottis* sp. (Humiriaceae).

missouriensis (Ashmead)

Holcopelte missouriensis Ashmead, 1888. Canadian Entomologist, 20:101. **Synonyms:** *Holcopelte popenoei* Ashmead, 1888. Canadian Entomologist, 20:101. **Distribution:** Argentina (Hansson 2009), Belize (Hansson 2009), Brazil (De Santis 1980, Sari et al. 2002), Colombia (Hansson 2009), Costa Rica (Hansson 2009), Honduras (Hansson 2009), Mexico

(Hansson & Aebi 2004), Peru (Hansson 2009), Trinidad & Tobago (Hansson 2009), U.S.A. (Ashmead 1888) (from New York and southward (Burks 1979)). **Hosts:** *Acanthoscelides* sp. on *Phaseolus* spp. (Hansson & Aebi 2004), *A. floridae* Horn (Peck 1963), *A. submuticus* (Sharp) (Peck 1963), *Amblycerus robiniae* (Fabricius) (Peck 1951), *Ctenocolum crotonae* (Fähræus) (Sari et al. 2002), *Gibbobruchus* sp. (Burks 1971). All hosts are Bruchidae (Coleoptera). Records from (Hansson 2009): *Acanthoscelides* sp. on *Mimosa pigra*; bruchid in *Acacia farnesiana*; bruchid in *Sesbania* sp. (Fabaceae); *Etiella zinchenella* (Lepidoptera: Pyralidae) on pigeon pea (*Cajanus cajan*, Fabaceae); *Leucaena leucocephala* (Fabaceae); seeds of *Symplocos limon* (Symplocaceae); seed pods of *Acacia* and *Prosopis* (Fabaceae). This species is a parasitoid on larvae of bruchids (Coleoptera: Bruchidae), other records need confirmation.

***mixtus* Hansson**

Horismenus mixtus Hansson, 2009. Memoirs of the American Entomological Institute 82:370-371. **Distribution:** Costa Rica.

***morus* Hansson**

Horismenus morus Hansson, 2009. Memoirs of the American Entomological Institute 82:257-258. **Distribution:** Peru. **Hosts:** *Callimicra* sp. (Coleoptera: Buprestidae) on *Ficus hirsuta* (Moraceae).

***mundus* Hansson**

Horismenus mundus Hansson, 2009. Memoirs of the American Entomological Institute 82:258. **Distribution:** Costa Rica.

***naevus* Hansson**

Horismenus naevus Hansson, 2009. Memoirs of the American Entomological Institute 82:259-260. **Distribution:** Costa Rica, Panama. **Hosts:** from egg sack of unidentified Salticidae (Araneae).

***naganus* Hansson**

Horismenus naganus Hansson, 2009. Memoirs of the American Entomological Institute 82:260-261. **Distribution:** Costa Rica. **Hosts:** an unidentified lepidopteran leafminer on *Naucleopsis naga* (Moraceae).

***nanoculus* Hansson**

Horismenus nanoculus Hansson, 2009. Memoirs of the American Entomological

Institute 82:261. **Distribution:** Trinidad & Tobago.

***napus* Hansson**

Horismenus napus Hansson, 2009. Memoirs of the American Entomological Institute 82:262. **Distribution:** Ecuador.

***nasutus* Hansson**

Horismenus nasutus Hansson, 2009. Memoirs of the American Entomological Institute 82:371. **Distribution:** Colombia.

***navius* Hansson**

Horismenus navius Hansson, 2009. Memoirs of the American Entomological Institute 82:262-263. **Distribution:** Costa Rica.

Distribution: Costa Rica.

***bitaeniata* Hansson**

Omphale bitaeniata Hansson, 2004. Memoirs of the American Entomological Institute 75:250-251.
Distribution: Costa Rica.

***bitincta* Hansson**

Omphale bitincta Hansson, 2004. Memoirs of the American Entomological Institute 75:179.
Distribution: Costa Rica.

***bouischium* Hansson**

Omphale bouischium Hansson, 2004. Memoirs of the American Entomological Institute 75:204-205.
Distribution: Costa Rica.

***bricenoi* Hansson**

Omphale bricenoi Hansson, 2004. Memoirs of the American Entomological Institute 75:211-212.
Distribution: Costa Rica.

***cacaoensis* Hansson**

Omphale cacaoensis Hansson, 2004. Memoirs of the American Entomological Institute 75:165-166.
Distribution: Costa Rica.

***caelata* Hansson**

Omphale caelata Hansson, 2004. Memoirs of the American Entomological Institute 75:234-235.
Distribution: Costa Rica.

capillata Hansson

Omphale capillata Hansson, 2004. Memoirs of the American Entomological Institute 75:205.
Distribution: Guatemala.

carballoi Hansson

Omphale carballoi Hansson, 2004. Memoirs of the American Entomological Institute 75:196-197.
Distribution: Costa Rica.

carinata Hansson

Omphale carinata Hansson, 1997. Journal of Hymenoptera Research, 6:126. **Distribution:** Mexico.

cavei Hansson

Omphale cavei Hansson, 2004. Memoirs of the American Entomological Institute 75:191.
Distribution: Honduras. **Hosts:** from an unidentified host on *Calypttranthes hondurensis* (Myrtaceae).

cerina Hansson

Omphale cerina Hansson, 2004. Memoirs of the American Entomological Institute 75:205-206.
Distribution: Costa Rica.

cherana Hansson

Omphale cherana Hansson, 1997. Journal of Hymenoptera Research, 6:123. **Distribution:** Mexico.

clinata Hansson

Omphale clinata Hansson, 2004. Memoirs of the American Entomological Institute 75:166-167.
Distribution: Costa Rica.

clypeogilba Hansson

Omphale clypeogilba Hansson, 2004. Memoirs of the American Entomological Institute 75:167.
Distribution: Costa Rica.

cocaensis Hansson

Omphale cocaensis Hansson, 2004. Memoirs of the American Entomological Institute 75:191-192.
Distribution: Costa Rica. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) "bullet galls" on *Inga oerstediana* (Fabaceae).

crinicornis Hansson

Omphale crinicornis Hansson, 2004. Memoirs of the American Entomological Institute 75:206.
Distribution: Guatemala.

cumbrensis Hansson

Omphale cumbrensis Hansson, 1997. Memoirs of the American Entomological Institute 75:138.
Distribution: Mexico.

cyclospila Hansson

Omphale cyclospila Hansson, 2004. Memoirs of the American Entomological Institute 75:235.
Distribution: Costa Rica.

dentata Hansson

Omphale dentata Hansson, 1997. Journal of Hymenoptera Research, 6:142. **Distribution:** Belize (Hansson 2004), Colombia (Hansson 2004), Costa Rica (Hansson 2004), Mexico (Hansson 1997).

derogaster Hansson

Omphale derogaster Hansson, 2004. Memoirs of the American Entomological Institute 75:212-213.
Distribution: Costa Rica.

didieri Hansson

Omphale didieri Hansson, 2004. Memoirs of the American Entomological Institute 75:167-168.
Distribution: Costa Rica.

divina (Girault)

Achrysocharis divina Girault, 1917. Entomological News, 28:22. **Distribution:** Brazil, Costa Rica, Dominican Republic, Guatemala, Venezuela, West Indies (St. Vincent, Trinidad) (all records from Hansson 2004); also recorded from Canada (Hansson 1996), Mexico (Hansson 1997) and USA (Hansson 1996). **Hosts:** from a gall-midge leaf fold (Diptera: Cecidomyiidae) on *Conostegia xalapensis* (Melostomataceae).

earina Hansson

Omphale earina Hansson, 2004. Memoirs of the American Entomological Institute 75:168-169.
Distribution: Costa Rica.

elevata Hansson

Omphale elevata Hansson, 1996. Entomologica Scandinavica Supplement, 49:27. **Distribution:** Canada (Hansson 1996), Costa Rica (Hansson 2004), Mexico (Hansson 1997), U.S.A. (Hansson 1996).

elongata Hansson

erginnus (Walker)

Entedon erginnus Walker, 1839. Monographia Chalciditum I p. 124. **Distribution:** Canada (Hansson 1996), Costa Rica (Hansson 2004), Europe (Bouček & Askew 1968), Guatemala (Hansson 2004), Honduras (Hansson 2004), Mexico (Hansson 1997), U.S.A. (Hansson 1996). **Hosts:** associated with bracket fungi, possibly parasitic on gall midges (Diptera: Cecidomyiidae) (Hansson 1996).

***exerinea* Hansson**

Omphale exerinea Hansson, 2004. *Memoirs of the American Entomological Institute* 75:192-193. **Distribution:** Costa Rica. **Hosts:** from galls on leaves of *Ficus* sp.; from upper surface leaf blister gall on *Ficus "padifolia"* (Moraceae).

***figena* Hansson**

Omphale figena Hansson, 2004. *Memoirs of the American Entomological Institute* 75:193. **Distribution:** Costa Rica. **Hosts:** from galls on leaves of *Ficus* sp. (Moraceae).

***flava* (Howard)**

Gyrolasia flava Howard, 1896. *Journal of the Linnean Society (Zoology)* 26:174. **Distribution:** Grenada (Howard 1896).

***flavirufa* Hansson**

Omphale flavirufa Hansson, 2004. *Memoirs of the American Entomological Institute* 75:213-214. **Distribution:** Costa Rica.

***flaviscutellum* Hansson**

Omphale flaviscutellum Hansson, 1997. *Journal of Hymenoptera Research*, 6:123. **Distribution:** Costa Rica (Hansson 1997), Mexico (Hansson 1997).

***fossata* Hansson**

Omphale fossata Hansson, 1997. *Journal of Hymenoptera Research*, 6:140. **Distribution:** Costa Rica (Hansson 2004), Mexico (1997).

***foveata* Hansson**

Omphale foveata Hansson, 1997. *Journal of Hymenoptera Research*, 6:130. **Distribution:** Costa Rica, Ecuador, Mexico (Hansson 1997).

***foviger* Hansson**

Omphale foviger Hansson, 2004. *Memoirs of the American Entomological Institute* 75:235-236. **Distribution:** Costa Rica. **Hosts:** from gall-midge (Diptera: Cecidomyiidae) stem gall on *Piper hispidum* (Piperaceae).

***friedmani* Hansson**

Omphale friedmani Hansson, 2004. *Memoirs of the American Entomological Institute* 75:181. **Distribution:** Costa Rica.

***fulgida* Hansson**

Omphale fulgida Hansson, 1997. *Journal of Hymenoptera Research*, 6:132-134. **Distribution:** Mexico.

***ganota* Hansson**

Omphale ganota Hansson, 2004. *Memoirs of the American Entomological Institute* 75:236-237. **Distribution:** Costa Rica.

***gauldi* Hansson**

Omphale gauldi Hansson, 2004. *Memoirs of the American Entomological Institute* 75:214-215. **Distribution:** Costa Rica.

***gilva* Hansson**

Omphale gilva Hansson, 2004. *Memoirs of the American Entomological Institute* 75:206-207. **Distribution:** Costa Rica.

***globosa* Hansson**

Omphale globosa Hansson, 2004. *Memoirs of the American Entomological Institute* 75:251-252. **Distribution:** Costa Rica.

***gracilis* Hansson**

Omphale gracilis Hansson, 1997. *Journal of Hymenoptera Research*, 6:134. **Distribution:** Mexico.

***guanacastensis* Hansson**

Omphale guanacastensis Hansson, 2004. *Memoirs of the American Entomological Institute* 75:181-182. **Distribution:** Costa Rica.

***guatemalensis* Hansson**

Omphale guatemalensis Hansson, 2004. *Memoirs of the American Entomological Institute* 75:161-182-183. **Distribution:** Guatemala.

***haplospina* Hansson**

Omphale haplospina Hansson, 2004. *Memoirs of the American Entomological Institute* 75:197-198. **Distribution:** Guatemala.

***helavai* Hansson**

Omphale helavai Hansson, 2004. *Memoirs of the American Entomological Institute* 75:201-202. **Distribution:** Guatemala.

***hermosa* Hansson**

Omphale hermosa Hansson, 2004. *Memoirs of the American Entomological Institute* 75:170-172. **Distribution:** Costa Rica.

***hirtipennis* Hansson**

Omphale hirtipennis Hansson, 2004. *Memoirs of the American Entomological Institute* 75:215-216. **Distribution:** Costa Rica.

***huggerti* (Hansson)**

Holcopelte huggerti Hansson, 1988. *Proceedings of the Entomological Society of Washington*, 91:63. **Distribution:** Belize (Hansson 2004), Colombia (Hansson 2004), Costa Rica (Hansson 2004), Dominican Republic (Hansson 2004), Ecuador (Hansson 1988), Guatemala (Hansson 2004), Honduras (Hansson 2004), Mexico (Hansson 2004), Panama (Hansson 2004), Peru (Hansson
